

**1. Attendance - Mrs Robinson & Mrs Douglas**

2FA -Abdullah & Zara

2MH -Fatimah & Kamran

1/ 2 AL - Aishah & Muhammad

1 PL - Hamza & Maleeka

1TR - Sugra & Hassan

**2. Apologies - Mrs Wood**

**3. Munch Bunch - what is our job?**

Our job is to think about how to improve lunchtimes and help one another

**4. School Lunch menu -** There is a new menu coming soon. We will need to talk in the class and then talk about the menus at home. They will be starting next term.

**5. In the hall**

There is a lot of food being wasted either on the floor or in the bins. The children agreed. We talked about Mrs Wood having to clear the hall every day and mop all the floor so we can do PE in the afternoon. She is also having to throw a lot of food away. We shared the new chart which the children thought would work well. You get a green face if you eat all the food, yellow if you have tried hard and red if there is a lot of food on the floor.

**6. Outside -**

How can we help others outside? -

The children think a friend stop would be a good idea so that if someone has a problem or is alone they can go and get some help. One person in Munch Bunch stated that they are often alone at lunchtimes so felt it would help them.

**7. Things to share with your class**

New lunchtime chart

Munch award - the class/es that have the most green faces will get the Munch cuddly toy in Friday assembly for a week.

New menus will be sent home. These will be starting after the holidays

**8. AOB**

Mrs Robinson said the helpers are brilliant. Thank you for all you are doing.

**We will meet again next half term.**
