Worship Theme

This half of the term in our services we're focussing on HOPE.

This week the kids helped me out with a magic trick to predict the future...you can ask them if they know how it was done! In the bible reading read by 5G the Israelites were trying to get 'diviners' to predict their future but God said to them...

29:11 "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

– Jeremiah 29:11
