

St Joseph's Catholic Primary

#BestDaysOfTheirLives

The New Year has brought new challenges and new exciting adventures.

On the 18th January, Year 6 went on St Joseph's annual trip to Paris with Our Lady of Victories School. This is the fourth year that this trip has happened and it is now the highlight of year 6, (well apart from SATs!) The children researched WW1 and WW2 and then stopped at various war memorial sites and battlefields including Vimy Ridge, bringing their research to life. A day walking around Paris soaking up the sights, climbing the Eiffel Tower, (for those not scared of heights) then a day at Disneyland to round off an adventure of a lifetime and trying to make primary school the #BestDaysOfTheirLives.

In sporting news, our running club qualified for the Bradford district qualifiers and one Year 6 boy has now got through to the West Yorkshire finals in Leeds, and on Friday 1st February, the Year 3 / 4 Dodgeball team won the competition between Keighley schools.

All things to be proud of, a great half term.

Mr Arnold
Head of School.
