

1LR Class Assembly
Summary Self Evaluation Record Form (SERF) Friday 25th January 2019

1. What did you enjoy about the assembly?

- Great to see what the children have been learning about in class.
- All the children had an individual part to play.
- A very theatrical presentation this morning. The children were very well prepared and put a lot of effort in. Well done to all of the children but especially the teachers on what has been a trying week.
- The coming together of all the children; the fact that each child participated individually; the effectiveness of all the songs.
- The whole assembly was wonderful. It was a joy to see how the class showed their acting abilities and it's fabulous to hear the lovely songs, poems they have learnt in a short space of time. Well done to all the children and teachers involved! Thank you for allowing parents to be part of the assembly.
- That the children all contributed something about their families.
- The ethos that we all make up God's family, the singing, how the message was portrayed in both a serious and a joking manner – well done!
- We enjoyed the singing, acting and talking parts. Well done children. The family topic was lovely to hear, the children are very lucky to be part of a caring school family.
- The opportunity to see my child and her friends performing in a super assembly celebrating family. We saw a big difference from their nativity celebration in Reception – they have grown hugely in confidence and volume!
- Loved the story behind it and the meaning of families.
- I enjoyed the theme overall, seeing the children's paintings and the songs. The poem was brilliant too!
- Seeing all of the class working well together. It was so well organised, Mrs Read did a fantastic job putting such a lovely assembly together.
- All the singing and the children's actions.

2. What did you enjoy about your visit to Immaculate Heart of Mary Catholic Primary School this morning?

- Seeing how great and confidently the children said their lines.
- Seeing the children all come together and realising the importance of family in an exciting way through song and acting.
- The children were so well behaved – a real credit to the school! The friendliness of parents and staff.
- The warmth of the children and staff; the super encouragement and praise given to the class by Mrs Phillips; the humour used in the performance; props used to reinforce the message.
- It was lovely how parents are welcomed into the school not just for assembly but all the time – thank you! The signing in system was easy and straight forward.
- The welcome from both staff and pupils.
- As always a warm welcome by staff and pupils.
- Very well organised, there was plenty of seating, temperature was good.
- Seeing the children behaving so well and how supportive the teaching staff were. Feeling welcome. Nice that most children performing had a family member there to support them. Nice that the headteacher was there to recognise and 'reward' their hard work.
- The warm welcome that we always get from all the staff and children.

- There is always a nice friendly atmosphere in school when I visit and I think parents are made to feel welcome.
- It's such a warm and friendly welcome and seeing all the children from Reception to Year 2 sitting quietly and watching the assembly.
- The class assembly and the behaviour of the children.

3. Is there anything you think could be improved with regard to assemblies and school celebrations?

- Keep up the fantastic work!
- As a proud parent I miss the memories we shared via Tapestry. The assemblies could be kept and stored for memories and shared in later life.
- No nothing. Well done to all involved. Thank you to Mrs Read for giving my child a chance to speak.
- Keep up the good work! Thank you.
- No they all did brilliantly. Well done.
- More singing please!
