

# RAG Class Assembly

## Self Evaluation Record Form (SERF) Fri 18<sup>th</sup> Jan 2019

### **1. What did you enjoy about the assembly?**

- Included all the children and they all did a great job.
- The line-up of the children. All could be seen and heard. All the children appeared relaxed and happy and all confident.
- It was very good to see the children all come out of their shells – in front of us and other children it was extra specially nice that my child's sibling could watch too. My child loves performing!
- The way the children put themselves forward and delivered their roles in the assembly! And the whole concept of parents coming to watch was a blast.
- Really enjoyed seeing how confident and happy the children are.
- Loved every part of the assembly. Especially my child singing solo – very proud!
- Lovely to see all the children performing and being so confident. I liked that the children all had something to say and that they had their own input.
- Kids took turns to say something. I think this boosts their confidence. I like it.
- The children were all so very confident and very engaging.
- The involvement of each child, giving everybody a role; celebrating skills and talents of each child and seeing how confident all the children are in a group; the play re-enacting the story of the epiphany.
- Children were prepared very well.
- It was lovely to see the enthusiasm of the children and the fact that all children took an active role in the assembly.

### **2. What did you enjoy about your visit to Immaculate Heart of Mary Catholic Primary School this morning?**

- Fun, friendly and inclusive.
- The welcome of the staff and how happy the children appear to be. We have a fantastic school!
- The school is welcoming and a warm environment. The teachers all go above and beyond for our children. Thank you!
- The atmosphere was excellent and the children really enjoyed doing their singing and showing off what gifts they were blessed with.
- Welcoming as always.
- Always welcoming and nice to see the children in their school environment behaving so well!
- I always enjoy my visit.
- It was well organised.
- Seeing how happy and settled all the reception children are now.
- Seeing how proud the RAG children were to show parents, teachers and children what they have been working on.
- Seeing my child at school.
- Seeing the commitment and support of parents and staff to the children.

**3. Is there anything you think could be improved with regard to assemblies and school celebrations?**

- I wasn't sure if grandparents were to be invited/if there was room? I know they'd love to come if there was space but would understand if not possible.
- No improvements as everything worked like clockwork and was all well organised. Well done to the children and the teachers, thank you.
- No we enjoyed it, thank you.
- No it was really nice to just have our class so the hall wasn't overcrowded and no sitting around waiting for our child's class.
- I think the reception team are doing an amazing job with our little people. Thank you.
- No I have been very impressed so far.
- Time – we leave the kids at 8.50am then have to wait 25 minutes in the car. It is not a big issue in the summer but in the winter it is not very nice.
