Clubs start this week up to and including week beginning Monday 4th March.

If your **Year 2** child has not returned their slip for the **residential to Bassenfell** and they would like to go please send the slip and pay the online deposit before Friday 15th February.

A reminder that we break up at normal time on **Friday 15th February for the half term holiday**. The OOSC will be open as normal until 4.30pm. We return to school on Monday 25th February.

Please can I ask those parents of **school dinner children** to pay their dinner money on time. A lot of time is spent in the office chasing arrears up. School is a business and we have bills to pay just like a restaurant, where you wouldn't be able to leave without paying your bill. Thank you for your support.

Yesterday was **Safer Internet Day** and the children have been doing activities in school linked to this. Class 6 also had a visit from Gemma Hannah who is a school Director and also a Detective Inspector. She spent some time with the Year 5/6 children explaining what her role in the police involves and also about safer Internet use. We have had assemblies in school also on this important theme.

There is a **Parkrun, 2K, held at Keswick, Lower Fitz Park** every Sunday morning at 9am. On Sunday February 17th some runners from our club in town will be taking part and it would be a good opportunity for runners from our new Tuesday club here to take part. You will need to get a bar code for your child from the Parkrun site so that their time can be registered. Just turn up around 10 minutes beforehand. It is a flat, tarmac surface so a good introduction to Parkruns. Sam Ayers will be there, unfortunately I will be away so cannot attend. I will arrange a Sunday date for after half term when I will take the mini bus through for the Tuesday runners to attend.

If you are interested in a **musical instrument scheme** 'Try before you Buy' run by Billy Bowman in town we have details in the office.
