Special Responsibilities	Autism Accreditation Property Matter				
Sub Committees	Finance Health & Safety				
<b>Profile</b>	<p>I am a semi-retired Building Surveyor. My career has included the design and management of many construction schemes including various schools, housing management of social and private sector housing, ownership and management of a small residential home, lecturing in building surveying and fire engineering matters.</p> <p>I was involved professionally with the school for 2 years before becoming a governor almost 5 years ago. I acted as Chair of the Governing Body for a year which was very fulfilling and rewarding.</p> <p>I have responsibilities as a Link Governor for the Premises and for the Autism Accreditation process and am currently studying for a Diploma in Autism Awareness.</p>				
<b>Pecuniary Interests</b>	Relationship with member of school staff
