

HEALTHY LIVING COOKERY CLUB

Year 1 & 2 – Spring 2 – Mondays in Nursery with Mrs Tribe

February 2019

Dear Parents and carers,

We all love eating and it is great for children to be able to develop cooking skills. Lots of children have asked for a cookery club this year so, as a result of this popular demand we are going to run a **6 week** course up to half-term.

It will take begin on **Monday 25th January** and will take place each following Monday with the last session being on **Monday 8th April**. The session will be from **3.15pm to 4.15pm**. The club will take place in Nursery and we have to limit the places and so there will be a **maximum of 10** available, which will be allocated on a first come, first serve basis. As we will be preparing food we would ask each child to **bring an apron and a strong plastic tub with a well fitting lid**.

We will explore simple oven top cooking, baking as well as preparing healthy snacks and meals that do not require any cooking at all.

Sometimes the children will bring home their cooking and sometimes they will eat it at the club! Everything the children make will be suitable for vegetarians.

This club will be subsidised by the school and therefore will run at no cost to parents. We would be grateful if you would please return your slips no later than this Wednesday 13th January 2019.

CLUB STARTS: MONDAY 25th FEBRUARY 2019
CLUB ENDS: MONDAY 8th APRIL 2019
(NO Cookery Club - Monday 11 March – Mrs Tribe is out at a meeting)

Please ensure you arrive promptly at 4.15pm to collect your child outside the Nursery playground door.

Yours faithfully,

Mrs Tribe
