

5<sup>th</sup> February 2019

Dear Year 6 Parents,

**Re: Keeping Up with the Children – SATs, parents workshops**

Along with the Family Learning organisation, I will be running a series of 6 workshops to give you and your children support for the upcoming Key Stage 2 SATs. This will include advice and information about the Year 6 curriculum as well as an opportunity to work alongside your child in each session and discover ways you can support your child at home.

Year 6 pupils will be nationally assessed on their achievement in Mathematics, Reading, Spelling, Punctuation and Grammar during the week beginning 13<sup>th</sup> May 2019 - they will also be teacher assessed in writing. It is extremely important that you or another adult family member attend these workshops as your contribution towards your children's learning is essential. I hope that this course will lead to raised standards and develop yours and your children's confidence.

**The first session will be on Tuesday 12<sup>th</sup> February from 2-3.** This is a registration meeting where you will need to register your details and commit to attending the 5 sessions after half term. I will also give an overview of what the workshops will involve.

The following 5 sessions will be after half term. **They are all on Tuesdays and will take place from 1.30 – 3.00 p.m. in the Small Hall.** Mrs Iqbal will also be available to support during the sessions. The dates of the sessions are:

**5<sup>th</sup> March, 12<sup>th</sup> March, 19<sup>th</sup> March, 26 March, 2<sup>nd</sup> April**

**It is very important that you attend all of the sessions.** At the last session we will give out specific information about SATs week. Thank you very much for your support,

Yours sincerely

N. SULLIVAN (Miss)  
Deputy Headteacher
