**Parental feedback relating to ways in which communication could be improved**

<b>Nothing to add, it is pretty much complete and useful information. In my opinion, communication is already great.</b>	Thank you!
<b>Sufficient at present. More notice of if information via text/email.</b>	We will endeavour to give as much notice as we possibly can. Your comments have been passed on to all staff. Thank you.
<b>Dojo is very useful and easy to use. We check it twice daily to ensure we don't miss anything.</b>	Great to hear!
<b>Love seeing how children are doing with rewards. It makes conversation at the dinner table. Also love the pictures and message service. More pictures of what they are doing – maybe children taking some? Nothing, happy with communication.</b>	We will certainly challenge our children to take more photos of the activities they are doing, thank you for this suggestion!
