**Additional parent feedback**

*Everything was perfect. I enjoyed spending time with my children. Thanks you ☺*

*The workshop was great to see how the children learn in class.*

*Pleased to see the children working in school. Was good to see the children working together.*

**Parental feedback relating to ways in which communication could be improved**

<i>I think that it's all perfect. Dojo is a great app and does its function very good.</i>	What more can we say! The class dojo was one of the best investments we made, and we're more than happy with it.
<i>Thank you! I get all information already on the school website and app. I'm happy what you're doing already. I think we get a lot of information from school.</i>	Thank you – we endeavour to share with you as much as we possibly can. We don't always get it right, but it's good to know that lots of information is being received and appreciated.
<i>What is for lunch for the week.</i>	St. Joseph's follows the menu that is set by the East Riding of Yorkshire, which means that our children receive a varied and balanced diet of healthy food. We receive into school two menus per year, and display this on the website. If you click onto the tab called 'Essential Information', and then choose 'School Meals', you will see the menu that is currently on offer.
<i>Staff photos, names and roles like the photo in the entrance. Think it's (communication) pretty effective already.</i>	As noted, we have a lovely display in our reception area that showcases every staff member in school, along with their role. On our website, we have a similar list, containing names, roles and responsibilities. We have made a conscious decision however, not to upload staff photos onto this particular page, as not all staff members want personal photos on display in this domain. Just like we do with children, we fully respect the right to privacy for our workforce. Thank you for your suggestion, we always look forward to listening to ways in which we can improve.
