

# CLEVER CATERPILLARS AND BRAINY BEES

## Curriculum News

### **Week Beginning 4<sup>th</sup> February**

This week we will be celebrating Chinese New Year and finding out about life in China. This week we will be making red envelopes, decorations, eating Chinese food. We will also be trying Chinese writing, making music and learning dragon and lion dancing.

We will be creating a Chinese café and trying to use chop sticks!

In maths we will be finding 2 parts that make a whole and exploring lots of different ways of making 10.

On Friday we will be having a Chinese banquet and cooking Chinese food to try. If your child would like to, they can wear something red on this day in addition to their school uniform. Red socks, jumper or hairband are just some ideas. This is a lucky colour in China and will bring you good luck for the rest of the year.

### **If you would like to support your child further at home, you could:**

- Cook or try some Chinese food.
- Eat with chop sticks.
- Try counting on and back from different numbers.
- Write a shopping list together. How much did the items cost?
- Visit a supermarket. Look at prices and numbers you can see there.
