

# CLEVER CATERPILLARS AND BRAINY BEES

## Curriculum News

### **Week Beginning 28th January**

This week will be continuing to find out about healthy food and exercise. We will be taking photos of ourselves on our Superhero day (Tuesday 29<sup>th</sup> January) and using them to write about our own super powers. So we look forward to meeting lots of the Super Hero characters we all know as well as new ones like Super Princess or Super Dinosaur.

We will be creating a 'Supertato Supermarket' in our role area and using it in maths to solve lots of addition and subtraction problems counting on and back from different numbers.

We shall also be listening to different music and trying out dances from around the world. If your child has a favourite song or style of music please let us know and we would be keen to listen and dance to it. Many children go to dance clubs such as ballet and street dance. We would like to see photos of them to share with other children.

If you would like to support your child further at home, you could:

- Talk about what Superhero each member of your family would like to be. What super power would they have?
- Dance to your favourite music.
- Listen to different kinds of music you would not usually listen to. Talk about likes and dislikes and how it makes you feel.
- Try counting on and back from different numbers.
- Write a shopping list together. How much did the items cost?
- Visit a supermarket. Look at prices and numbers you can see there.
