## NEWSLETTER – 8<sup>TH</sup> FEBRUARY 2019

### CAN YOU HELP?

During Art Week Reception, Years 1 and 2 will be visited by The Junk Orchestra (a former member of STOMP) who will be doing junk modelling with the children to make musical instruments. To help with this activity, please could you send in any recycling junk you have which might be useful (sorry no toilet roll tubes and any bottles must be washed). We are also looking for any spare carrier bags you might have. Thank you.

### LOST AND FOUND

Several items of jewellery have been found in school recently. If you think you or your child may have lost something, please pop into the school office.

### CEDRIC BEAR

This week Elder class had the best attendance, so CEDRIC Bear (Come Every Day Remember I'm Counting) will be spending time in their class next week.

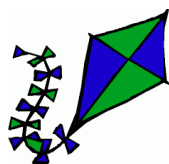

Our 'Thinking School' thought for the week is...

Be helpful. When you see a person without a smile, give them one of yours.

### TOP TIP

Enjoy the windy weather. Make a kite out of recycling junk and try flying it this weekend.

### HOT LUNCHES

Next week will be **Week 3** on the hot lunch menu. Spare copies of the menu are available from the school office.

#### Ambitious about Autism Project

Ambitious About Autism is starting an exciting new project called Right from the Start, exploring access to support in the early years, including early intervention, for families with young autistic children. We are asking any interested parents or carers to complete a survey in conjunction with the University of Warwick on the experiences of families of children aged 0-6 years old with a diagnosis or suspected diagnosis of autism. The survey is available in two versions. An online version can be completed and submitted online. Visit The University of Warwick website to complete the survey. A paper version can be requested online via the form or by sending your details to [familyresearch@warwick.ac.uk](mailto:familyresearch@warwick.ac.uk) or calling the research team on 024 7657 5866.
