POWER MATHS PARENTS WORKSHOP – Tuesday 5th February 2019 @ 1700hrs

Dear Parents and Carers,

As you know one of the key areas we have been developing over the last term has been Maths throughout the school. Our new Maths scheme called Power Maths is now in place and is being used with great results across the school. This scheme is one of two that are endorsed by the Department for Education and includes a very clear, consistent approach across the school. The expectation is that every child can do Maths and they are encouraged to have a growth mind set: to be determined, flexible, curious and brave, using practical resources and verbalising their reasoning.

The teachers have had training in using the scheme and as promised we will be holding a **Power Maths Parents Workshop on Tuesday 5th February 2019 at 1700hrs**. This will be a great opportunity for you to understand how the scheme is being used across the school. The workshop will last approximately 45 minutes.

Please confirm your attendance to the event by returning the slip below to the office by Monday 4th February 2019 so we will have an idea on numbers.

Kind regards

Mrs Howie-Lee

I will be attending the Power Maths Parents Workshop on Tuesday 5th February 2019 @ 1700hrs
