The Three Little Pigs

The children have loved retelling the story of The Three Little Pigs this week. They have been busy making 'pig cakes' (a tasty sponge, drenched in pink icing and smarties). We also created our own houses made of straw, sticks and bricks which we used to decorate our role-play area. Mrs Newsome brought a special story to school on Wednesday; The Three Little Wolves and the Big Bad Pig. The children were roaring with laughter at the subtle differences in the story, not to mention the very naughty pig who went to extreme measures to 'blow down' the little wolves homes. It is a must read for children and adults alike!

Next week we will be learning all about Chinese New Year and will be celebrating it in style on Tuesday! As part of our learning we will be tasting fortune cookies. I am attaching a photograph of the ingredients. Please could you make us aware if you would rather your child didn't try them.

Hurrah! We have made it to February after what feels like the longest January ever! We are looking forward to a new month with exciting celebrations and hopefully warmer weather. Have a lovely weekend, whether you are out and about or staying cosy at home. - Miss Knibbs

Important Notices

Coats

It is imperative that your child is sent to school each day with a waterproof coat. The children are able to go outside each day and a fleece alone simply isn't warm enough at the moment. Without a coat your child is not able to go outside which often results in tantrums and tears!

Home Learning Challenge

A huge thank you to the children who took part in our story spoons challenge last week. I am extending this challenge for an additional week for the children who haven't yet taken part. If you have taken part, as an extension you could ask your child to choose their favourite story and retell it in the same way (with story spoons).

Wellies and Waterproofs

Please provide your child with an 'all-in-one' waterproof suit if you know that they enjoy the outdoors. This is optional but may be a good idea if your child comes home frequently with a muddy coat.

Fortune Cookies

Ingredients / Ingrédients / Zutaten / Ingrediënten
GB Fortune Cookies - Ingredients: Wheat Flour, (Calcium Carbonate, Iron, Nicotinamide, Thiamine), Sugar, Soya Lecithin, Dried Glucose Powder, Raising Agent: E500, Colour: Riboflavin, Vanilla Flavouring, Rapeseed Oil, Antioxidant: E304 and E306, Emulsifier: E322, Sunflower Oil. Week 2

Home Learning Challenge

The Oracy Challenge Takes Over!

Clifford Bridge EYFS are taking part in an exciting project called The Oracy Challenge. The initiative has been developed by our teaching network with the aim to improve children's oracy (speaking) skills.

In the EYFS we are challenging children to create story spoons with their parents and carers, share the associated story together and learn the story (using the story spoons to support them as they retell the story). Once your child is confident retelling the story please upload a video of them retelling it to Tapestry.

Remember, this is a competition between us, the other school in our MAT and an additional six schools in our teaching network. The winner is judged by the school who has the most children and parents who engage with the project. We can't wait to get started as we know that Clifford Bridge is the BEST!

Instructions

1. Read the special story together: The Three Little Pigs
2. Decorate the story spoons (or lollipops sticks, whatever is available!)
3. Practise retelling the story using the story spoons
4. Upload your video to Tapestry

Please entitle this weeks Home Learning Challenge:
Three Little Pigs
