

Reinwood Nursery, Infant & Junior School PTA

Friday 8th February 2019

Dear Parents/Carers

This year the PTA would like to support the school eco team in their bid to encourage families to make eco-friendly choices whilst raising funds to benefit all children throughout the schools.

We are giving you the opportunity to purchase a high quality "shopper" style bag displaying your child's named self -portrait alongside the rest of their year group.

These items would make an ideal **Mother's Day gift** as they will be sent home with your child week commencing 25th March ready for Mothering Sunday on 31st March. They would equally be appreciated as gifts by grandparents etc. or could be an ideal keepsake for your child.

The bags will be printed in royal blue on a cream background and feature practical long handles. They are printed and manufactured in the UK from 100% unbleached cotton calico and measure 40cm x 42cm.

ORDERING:

We are offering these bags at **£5 each**.

To place an order you need to access ParentPay and 1) state how many bags you would like and 2) pay the total payment in full. (We are unable to accept cash/cheques at the office).

ParentPay details must be done **NO LATER than 4pm on Tuesday 26th February** - we cannot accept late payment as we need to know exact numbers for our final order (from ParentPay).

Thank you for your continued support.

Mrs K Butler & Mrs E Eastwood
Reinwood Infant & Junior School
