### This Week

Inkpen and Rosen have been learning all about the Chinese New Year and have even done some Chinese writing! In Maths they have been looking at longer, shorter, heavier and lighter.

Sharratt and Donaldson have made some fantastic dinosaur silhouettes, painted their dinosaur eggs and used straws to create dinosaur bones ready for their museum next week.

Potter and Ahlberg have been making clay houses to represent the local area and have developed their geographical skills by looking at maps and compass points.

Murphy and Dahl have had a science week and have looked closely at gravity. They have studied its effects and have explored it by developing their own experiments.

In History Morpurgo and Kinney have been comparing ancient Rome with modern Rome using overlays on the Chrome Books. They have also found the study of gladiators very interesting!

Herge and Walliams have been using drama to help them understand stories and plan one of their own set in Egypt.

Shakespeare and Rowling have been doing some SATs practice papers and have done very well. They are very proud of what they have achieved so far but we know they can do even better by May when they take the real things!

Have a great weekend.

### The Hive Out of School Club

This week we have celebrated Chinese New Year. We looked at different ways to create dragons and learnt how to dragon dance along with some traditional music and some amazing drumming from our backing group.

Other activities have linked to the Year 5 topic 'Pharaohs'. We discovered how to write our names with hieroglyphics and experimented with how to mummify slices of apple. Our Foundation Stage children wrote some fabulous labels for us.

We have also baked flapjack, discovered digital spin painting and used paper and card to make bags and clothing.

Our table tennis champions of the week are Honey and Oliver for always playing with a smile and showing commitment to improve.

### Playtime Snacks

Just a reminder that children are only allowed to bring fruit for a morning snack at playtime. This should be kept in the classroom so they can access it at playtime without having to go to their lunchboxes.

No children are allowed to go to their lunchboxes except at lunchtime.

The Hive

There are still places available at The Hive over the half term holiday. If you have to work or fancy a day out without the children see Miss Stanley, the school Office or email at [thehiveanlaby@gmail.com](mailto:thehiveanlaby@gmail.com)

Social Media

We have had to deal with a number of issues over the last week or so with children being unpleasant to each other and using very inappropriate language online.

It is very difficult to police who children are coming in to contact with on some social media platforms and I would urge all parents to check that they have parental controls in place.

There are many websites that will offer help and guidance for parents and a quick Google search will help you if you are unsure how to set parental controls. The following website may be one you would like to start with.

<https://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/online-safety/>

Having a conversation with your child about what they are doing online may also be a good idea.

Murphy Class Assembly

Was great learned something new.

Well done to all the children. Very clearly spoken and presented.

Brilliant assembly. The children did so well and read their lines beautifully.

Really enjoyed your assembly on Chinese New Year.

Great assembly, everyone did really well and played a part. Very interesting.

Lovely assembly. Very informative the children all spoke with confidence. Well done Team Murphy!

Big smiles! Happy faces! Great pictures! Confident children. Good reading.

I would like Mr May to know...
