We need a friendly and common sense person to help our young children to be safe and to enjoy their food at lunchtimes.

Some of our children spend all day here and bring with them a packed lunch. We like their lunchtimes to be an enjoyable time when they can socialise and have a bit of a rest before the afternoon. These children need to be looked after by people who understand and enjoy the company of young children.

You will need patience and a good sense of humour, as well as a willingness to work as part of a small team.

This role involves supervising children and ensuring that they are clean before eating, and then helping them to enjoy their lunch safely. At times children have some play time before the afternoon Nursery session and you will help them to be safe. You will also be responsible for ensuring the dining area is clean.
