

Week 5

Friday 8th February 2019

This Week

'Tiddalick the Greedy Frog' is the Dreamtime story we have been using to support our learning over the last couple of weeks. Tiddalick is a grumpy frog who drinks every drop of water in the world and the dehydrated animals have to try and make him laugh to get it back.

Year 1 looked at certain parts of the story and composed questions to ask Tiddalick. We made sure that they ended with a question mark '?'! Some people then took on the role of Tiddalick and answered these. Two thirds of the class decided after this session that Tiddalick wasn't a bad frog he was just a bit thirsty! To help the animals, in case this situation happens again, the

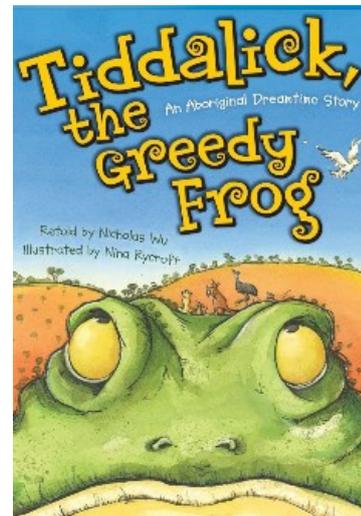

class have made posters and instructions on how to make frogs laugh.

Year 1 have been introduced to the base 10 equipment in maths. We made numbers to 20 using them and discussed how the last digit in a number shows how many ones and the first digit (in a 2 digit number) shows how many tens.

FYI

- Feeling Good Week Parent Yoga Session 12:45-1:10pm on Monday
- Woods Wednesday afternoon with Year 2

Guess the number

Estimation has been a focus in maths. After a child shared this game with me we decided to play it and it really helped with our sensible guesses!

The person thinking of the number tells you which ones it will be between e.g. 10-20 and then the child had to make a sensible guess. 100 would be a silly guess as it's not between those two numbers!

Mrs Dunk's message

Kimpton had some very special guests last Wednesday afternoon...Mrs Clements and baby James! Year 1 were very excited to meet James and all got to have a close up look and say hi! They were surprised at how small his hands and fingers were and were amused that he had no hair! They were all so quiet and caring around him, it was a lovely moment to watch.

I have uploaded some photos from our snow day onto our class page so take a look! We worked really well as a team to build a giant snowman!
