## Spring 1 Week 5 Newsletter

### Round up of the week

- On Tuesday morning the Year 4 children performed on their trumpets and trombones for KS2 and their parents. It was a great show with lots of music and lots of fun. I am always amazed at how quickly our children learn to play a musical instrument.
- On Wednesday NSPCC came into school to talk to all children about how to stay safe and who to speak to if they are worried. They are really useful assemblies for the children with some interesting questions asked afterwards. Your child may have spoken to you about it afterwards, we had a few children ask us questions which we have followed up on. If you need any support in answering any of their questions we would be very happy to support you with this.

### Coming up next week

- I have been in touch with the Highways Department to look at the timings of the two crossings on the main road. They will check the crossings next week and hopefully increase the crossing time to make it safer as you cross the busy main road.
- Year 6 will do some practice tests in the hall next week. There is no pressure on them to reach a certain mark, it is just to get them used to what will happen when they do their tests and hopefully make them feel more comfortable about them.
- On Tuesday from 3.30 – 7pm and Thursday from 3.30 – 5pm we will be holding Parents' Evening in the hall. This is a chance for you to chat to your child's teacher about how they are doing and where you can help. There will be refreshments served by a group of parents and your child can play on a computer if you are unable to sort out child care.
- We have lots of lost property which you can have a look through at Parents' Evening and reclaim.
- Bank will be open for Year 2 to Year 6 children on Thursday morning from 8.30am
- Year 5 will be going swimming on Thursday afternoon. Please remind them to bring their swimming kits.
- On Friday we will be taking 4 children to Hollingwood School for a Musical Theatre experience alongside children from our local schools.
- On Friday morning the Governors will be giving out awards to two children in each class who have been recognised for outstanding achievement in some area.
- At lunchtime those children will then be treated to take away pizza for lunch.
- After lunch the team who have earned the most amount of team points will have their reward in the hall. Phoenix had a hot chocolate and cake afternoon, Dragons had a games afternoon. I wonder who the winning team will be and what their activity is going to be?

### Reminders

- Some children are bringing juice in their water bottles. Unfortunately, due to government policy we are not allowed to let children drink juice, squash, flavoured water or any other sugary drink. Please could you only send water in their bottles.
- The number of children who do not bring a PE kit is growing. It might risk children's safety if they are not wearing the correct clothing and footwear whilst climbing on apparatus. Please could you ensure all children have a PE kit in school when they need it.
- ACE sports in Staveley will take uniform orders directly from parents if you are looking for a local school uniform supplier.

**Thank you**
