

St Anne's Catholic Primary School

'I have come so that they may have life

and have it to the full'

John 10:10

What a busy but exciting half term it has been in school! All classes have lots of exciting topics to study over the next few weeks. It's great to see that the children are sticking to their 'New Year's Resolution' by continuing to 'Shine Like Stars' in all that they do.

Out of school experiences for the children are so important. They really bring the curriculum to life, and are a real fun way to support the children's learning. In January I had the pleasure of accompanying Class 1 on their visit to the National Railway Museum, York. The children had a great time, exploring the different types of trains, and learnt how the different trains have helped change people's lives since being invented. They even managed to have time to take a trip on one and catch a 'Punch and Judy' show! The children behaved and listened fantastically well and really enjoyed their experience, it has really engaged them in their topic on 'Transport' in class.

Class 4 - have also been out of school visiting the 'Roman DEWA Experience' in Chester. What a fantastic day it was! They marched like Roman soldiers around the city centre, and visited many of Chester's Roman ruins. In the afternoon they toured the exhibition at the centre and saw many Roman artefacts and learnt what Chester was like in the Roman era. It was a great hands-on experience that they really enjoyed, and one that I am sure will give them plenty to discuss and write about back in school. It was a real pleasure to share this experience with them.

The school's netball team have enjoyed a great start to the season winning all their 3 games so far – we have high hopes of a championship winning season. The Year 4 football team have also been in fine form qualifying for the Bradford School's Finals on the 25th February. We wish them lots of luck and hope they really enjoy the experience.

A great half term with lots of things for the children and school to be very proud of.

Mr Booth

Head of School
