

CHILDREN'S WELLBEING PROJECT

Improving Outcomes for Children and Young People in Brent and Hillingdon

DOES YOUR CHILD NEED SUPPORT WITH MANAGING THEIR EMOTIONS?

WOULD YOU LIKE SUPPORT WITH MANAGING YOUR CHILD'S BEHAVIOUR?

We are running a project to provide support in these areas. Sessions will be held at Whitehall Infant School, once a week, for up to eight weeks. A 'wellbeing practitioner' will work with you, giving support and strategies to help your child better manage their emotions and behaviour.

If you are interested in taking part in this exciting project, please speak with Mr Stainer (Assistant Headteacher). Ask for him at the school office or call the school on 01895 590112.
