

Fantastic news...

Magical Maths is coming back to Whitehall
Infants School!!

Magical Maths is a super fun after school club
designed to boost children's confidence and better
engage them with maths.

After running the club successfully previously we
are coming back with completely **new and
different** set of activities for the children to try
and improve their mathematical skills with. The
club runs for an hour a week after school starting
Wednesday 27th February and will run for 6 weeks.
