

Neil Armstrong travelled to the Moon in a rocket. Can you design and make one?

Make a list of things you would take to space.

Write a letter to alien persuading them to visit us again.

Visit your local library. Find some books about space.

### Learning From Home Holiday Challenge!

Can you complete some learning at home linked to our **SPACE** topic? How many can you complete? For every piece of home learning you bring into school, we will be rewarding you with cubes and stickers!  
Don't forget to add photographs to FreeFlow.

Write a fact file about Neil Armstrong or another astronaut.

Design your own alien. Think about:

- What will your alien look like?
- Where does your alien live?
- What will your alien eat?
- What do they like to do?

Observe the night sky. Can you see any constellations?

Build a diorama. Use an old shoe box to make a 3D space model.
