12th February 2019

Dear Parents and Carers,

On Monday 25th February our hatching chicks will be arriving at school (please remember to keep this a secret!) The children will be able to watch the eggs hatch and eventually be able to handle the chicks during the 2 weeks they are in school. This is a fantastic experience for the children to learn about the life-cycle of a chicken.

The cost of this experience is £8 per child. This covers the incubator, brooder box, eggs, bedding and food needed for hatching. Please make your payment via the School Gateway.

Once the experience has finished the 'Living Eggs' company will be able to collect our chicks and rehome them. The chicks will be collected on Friday 8th March.

Thank you for your continued support.

Mr C Westwood
Reception Class Teacher
