

Homework Project – Spring 1 2019

This half term we will be celebrating World Book Day on 7th March. To tie in with this, we are asking children to think about how their favourite book could be represented in a jar.

Any clear jar can be used; a coffee jar, a jam jar or sauce jar. You can put carefully chosen items to represent the book into your jar, selected quotes from the book, perhaps even clues about its characters or setting. Ideas are shown below. You can also include a piece of writing about why you have chosen this book.

Please make sure your 'book in a jar' is clearly labelled with your name, year group and class. Entries must be handed in by Monday 25th March. All the jars will be displayed in the school library or outside Miss Kondo's office.
