## Newsletter February 2019

### Headlines

I received an email last week informing me that the Council intends to cut the School Crossing Patrol. I will be fighting the decision and have already had super support from the Parish Council. I will contact you again soon with more information about our school petition. Our children's safety is of paramount importance.

### Times Tables Rockstars

The children's progress with their X Tables has been incredible. This morning I was approached by a parent who just wanted to tell me how well her son is doing. The Y6 children are currently helping the Y2s to get started and they'll be as fast as lightning in no time!

### School Budget

As you'll have seen from my TV appearances last term, the school is battling against funding cuts. Please help us by making sure dinner money, music lessons etc are paid on time. Last term we had over £1200 owing and this places a great deal of pressure on our over-stretched budget.

### Jean Freedman Foundation

The Jean Freedman Foundation is run by Allan Scarlett, a former teacher in our school. His Mother, (Jean Freedman) passed away last year and he started the Foundation to support Music provision in schools. Allan has provided us with funds to employ Mrs Rooke, an excellent local Music teacher. She is currently working with Y3/4 children on Friday afternoons.

### Breakfast and After School Club

Please support the school office by booking your children into these clubs in advance ONLINE. Last minute bookings within 24 hours can be made by phoning the school number.

### Absence

Please use the School Office phonenumber to report absences. There is no need to come into school in person.

### Punctuality

Whilst we appreciate that the road closure has affected journeys this week, punctuality has become an issue for some children. Please ensure that your child is in on time as lateness can be detrimental to their education.
