### Important Health and Safety Notice School Car Park and driveway

Dear Parents

I am writing to you once again to ask for your support to ensure the safety of all of our children.

Despite previous correspondence, there are an increasing number of families walking up and down the driveway at the start and end of the school day. **Please do not use the school carpark driveway as a pedestrian access.** This poses a huge safety risk, even more so currently with construction traffic using on-site parking as well as staff cars.

The car park policy is on the school website for your attention. The policy refers to refraining from walking up and down the drive and also mentions arrangements for any blue-badge holders that have permission to use the carpark. Please refer to the policy for times to adhere to if you are a badge holder. Cars should not be moving in the carpark at peak times for dropping off and collecting. This may mean sitting and waiting for a short while, but your cooperation is appreciated to ensure the safety of all of our children and their families.

Thank you for your co operation in this important matter.

Kind regards,

Mrs C Norris  
Headteacher
