

SUPPORTING CHARITIES

Throughout the year, we fundraise for improvements in school, such as the new playground surface and equipment. We also support various charities at different times of the year so that we are not asking parents to contribute to different charities at the same time.

The Royal British Legion

In October and November we raise money and awareness of the Poppy Appeal.

Good Shepherd

We raise money for the Good Shepherd appeal during Lent. During Lent, all the Dioceses of England have a wonderful tradition that young people in our schools raise money to help those people who need our help. Find out more on the Diocese of Hallam website:

Mission Together

We collect money for Mission Together by sending boxes home and asking for any spare change. Mission Together's motto is 'Children Helping Children' and Mission Together is the Catholic Church's only official mission charity for children.
