<p>Can you find a non-fiction book about an explorer or adventurer to share with the class?</p>	<p>Think of 6 places to go on an adventure. Ask family and friends which would be their favourite to go on. Make a pictogram, bar chart or tally chart to show the results.</p>	<p>Design and make some equipment for an adventure e.g. skis, a compass or a space rocket.</p>	<p>Pretend to be an astronaut and create a space movement dance to share in PE.</p>	<p>Create an adventure story with a soundscape. Use a variety of sounds, rhythm, pace and actions to tell the story.</p>	<p>Go on an adventure with someone in your family. Be ready to share your adventure with the class.</p>

In addition to the weekly spellings set by the class teacher, these extra challenges link to topics which are taught this term and encourage children to use a broad range of skills. All children should complete at least one challenge over the term. They can do more than one challenge if they choose. The work will be displayed and celebrated.
