

Sports Hall Festival by Parker J - Sport Council Rep

On Thursday 7th February 2019, 12 children from Years 3 and 4 visited BGN for a sports hall festival. We were split into two groups and took part in activities, including: vertical jump, long jump, shuttle run, chest pass with netballs and relays. We competed against 4 other schools and everyone tried their best to beat their personal records. Shyla even managed to beat all the girls competing in the long jump, to gain first place with 1 metre 40! She also came 2nd place in the shuttle run, missing out on first place, by just 0.01 second! Everyone had a great time! Well done Orchard Fields!
