

CHALONER PRIMARY SCHOOL

PE and Sport Premium Funding 2016-17

The Primary PE and Sport Premium was launched by the government in April 2013 and is available for four years to July 2017. It is ring-fenced funding to be used by the school to achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (below) that will live on well beyond the Primary PE and Sport Premium funding.

The national vision is for: *“All pupils leaving primary school [to be] physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.”*

In academic year 2016/17, we will receive £8,815. Having consulted with pupils and parents, and to support our wider vision and plans for PE and sport, we have/plan to spend the Premium in the following ways.

<i>How the money will be spent under each Key Indicator</i>	<i>Amount</i>	<i>Targeted pupils</i>	<i>The IMPACT on pupils (actual or expected)</i>	<i>Sustainability / What Next?</i>
1. The engagement of <u>all</u> pupils in regular physical activity – kick-starting healthy active lifestyles, including any additional provision for swimming funded by the premium.				
Membership to the Schools Sports Partnership	£2000	Whole school	All (KS1 / KS2) children to access at least one sports festival / competition against other local primary schools.	Children to continue new activities they have tried after attending a festival, e.g. develop the skill of tennis, working with the bats and balls at lunch times. Continue to develop confidence in the leaders to try new activities and introduce new equipment.
Equipment to be used at playtime	£300	Whole school	Encouraging all children to be physically active at playtime/lunchtime and engage in the activities and equipment available. C4L children to lead and set up some activities. Encouraging team work, leadership skills and enhance physical activity.	
2. The profile of PE and sport being raised across the school as a tool for whole school improvement				
Sports leaders	£750	KS2	Some KS2 children are beginning to take the responsibility to train to become leaders. This will then impact on others when working outside and encouraging others to participate in the activities and gain new skills, including social interaction.	To use the skills to develop confidence to support and engage larger groups or children and expand on their current skills.

C4L Club	Free	KS2	Children are engaged within an after school club, discovering how to eat well and encouraged to move more. They are also becoming leaders through trying and setting up new activities to them impalement into the playground.	To apply knowledge of food and physical activity into their daily lifestyle and impact on their social/emotional and physical development.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport				
Skill Force	£3000	Year 5	Children are encouraged to learn through experience can develop the confidence to think independently and make positive, informed decisions by learning to consider the impact of their actions and behaviour on themselves, on others.	This is then encouraged to be transferred to other subjects within school alongside physical activity.
Yogabugs	£1000	KS1	To learn new skills and about how the body moves. To encourage children to express themselves positively through music and movement and they grow in confidence as they learn dance in a fun and pressure free environment (KS1+R)	Yogabugs has allowed children to begin to understand how their body can move and balance, allowing staff to then incorporate this into other PE sessions.
4. Broader experience of a range of sports and activities offered to all pupils				
Clubs invited in to offer taster sessions to encourage new sport participation out of school.	Free	KS1+KS2	Children have experienced boxing, cricket and judo taster sessions and will be offered a dance taster session too.	To try new sports and maybe become a member of a team/club.
Key stage 2 residential visit, specialist coaching fees and pupil contributions.	£1500	KS2	To help ensure that all upper KS2 children have the opportunity to take part in outdoor and adventurous activity challenges.	To try new activities they may not have the opportunity to participate in.
5. Increased participation in competitive sport				
Participation in Sports Partnership inter-school competitions and festivals, vehicle hire where needed.	£300	Whole school	To develop an understanding of rules within sport and learn new skills within the sport. To then continue to build up the skills physically, emotionally and socially within the sport.	To build on the sports we participate in and hopefully continue to develop interest in new sports and put a team together to represent the school and participate in compitions.
