### Safer Internet Day

On Tuesday 5<sup>th</sup> February it's Safer Internet Day. The theme is 'Questioning what we hear & see online'. We are working together to ask questions like 'is this true?', 'Should I believe this?'

### SATs Resources

Thank you to all the parents who attended the Year 6 SATs meeting yesterday afternoon. We were able to share some very valuable information and also sold a lot of SATs resources. There are a few packs left so if you would like to buy one, please see Mrs Bi at the front office or at 3.30pm on Thursday and Friday in the Small Hall. The packs are £2.00 each.

### Anderton Park School app

The new and exciting APS app has been launched and is ready for you to download. To download, access your play store and search for 'School Jotter'. Download this and then search for Anderton Park Primary School in the school list. You will then receive notifications when there are important updates, including weekly newsletters.

### Celebration assemblies

### Quotes from staff

We asked staff for their favourite quotes so each week we will give you one of them. This week we have...Miss Tracey whose favourite quote is "The most wasted of all days is one without laughter" - Nicholas Chamfort.

### January Art competition

I've had more entries than ever! They are amazing. Check Twitter to see your entry. Thank you for all your artistic enthusiasm.

### Balls brought from home

Just a reminder that children can bring a ball no larger than a tennis ball to play with in the playground. These can be made from foam or a traditional tennis ball made from rubber and if possible marked with the child's name and class. Please do not allow them to bring any larger balls or hard balls for safety reasons. Any other play equipment brought into school will be passed on to the class teacher and returned at the end of the day. Thank you for your cooperation.

### Thankful Thursday

Gratitude helps to keep our minds healthy and so we have started 'Thankful Thursday.' This involves taking just a little time each Thursday to stop and think about the things you are thankful for. The aim is to help us make thankfulness a habit and cultivate a culture of gratitude. What will you think about tomorrow?
