Re: Y6 Open Evening

Dear Parents/Carers,

The children have been working very hard over the last few weeks by completing homework on time for reading and maths and attending after school boosters on Tuesday. We are really proud of their commitment and drive to do well in their upcoming SAT tests.

As the weeks are marching on, we have decided to bring forward the Y6 Open Evening sessions to enable us to talk through progress the children have made since December and the next steps that they require in order to make additional progress. We have done a recent set of assessments so it will be useful for you to see where the children are being successful in their strategies and where they need further work. We think that by leaving the Open Evening to 10th and 11th April this is too late to inform you of key information and to enable us to work together to ensure that your child achieves their true potential. The new dates are Wednesday 6th and Thursday 7th March starting at 3:30pm and finishing at 6:00pm.

I would just like to let parents know that homework for maths and reading homework is coming home on a Friday and is due in on a Wednesday. On Thursday, we go through the homework with the pupils as a whole class to talk through answers and the strategies used so it is important that they hand it in on time.

Thank you for your continued support and have a lovely half term holiday.

Mrs Corbiere

Dear

Child's name: _____ My preferred time would be around: _____

I would like to attend Open Evening on Wednesday 6th March for _____

I would like to attend Open Evening on Thursday 7th March _____

Child's name: _____

Your Open Evening appointment is on:

Wednesday 6th at _____

Thursday 7th at _____
