Tricky Spelling Words

ask, today, school, friend

Spelling Rules

The /n/ sound spelt n before k e.g. bank, think, honk, sunk - can you think of any words that use this rule?

NEXT TERM!!!

We will be learning about traditional and the world. Children are invited to bring in (please write name and class inside them). We carers to come in and read/tell a traditional story around the world. Please see your child's class teacher if you would like to come in and share a story!

fairy tales from around books to be read would love parents and that they know from
