Mental Health Awareness

15th February is Northamptonshire Mental Health Awareness Day. Your child will have brought home some resources today about the topic of mental health.

We all feel comfortable talking about our physical health – if children are hurt or feel ill they usually know how to get help to feel better.

The aim of Mental Health Awareness Day is to raise awareness of the importance of mental health and encourage people to think and talk about their mental health in the same way as they do their physical health. We all have times when we feel happy and times when we don't feel so great, and children need to know that these negative feelings are OK, and that it is OK to ask for help to feel better.

Sometimes it is not so easy to talk about what is going on inside our heads, but hopefully these resources (especially the chatterbox) might be a fun way to start a conversation at home.

Sign 2 Sing

On Thursday, Wagtails and Woodpeckers classes will be performing the Sign2Sing song that they have been practising this term to raise awareness and money for deaf health charity 'SignHealth'. If your Reception / Key Stage 1 child would like to they can bring in £1 donation on the day to show their support. There will also be a cake sale after school in the undercover area outside Woodpeckers. Any donations of cakes welcome on that morning. Thank you.

Dates for your diary...

13th February

Wagtails visit to New Walk Museum

Kestrels visit to the Gurdwara

14th February

Sign2Sing cake sale

15th February

TERM 3 ENDS

26th February

School opens to pupils TERM 4

14th March

Year 5 and 6 BIG SING

1st April

Drama club performance

3rd April

Wagtails' class assembly

Revision Books

At the year 6 SATs meeting on Tuesday, parents were given the option to purchase Collins SATs revision books at a special reduced schools' price. If you ordered books, or were not at the meeting but would like to place an order, they are now available to pay for on ParentPay. There are sample copies in the school office if you would like to look at them.

Please order by next Wednesday 13th at the latest to enable us to place the order before half term.

Sports news...

A team of 6 pupils from year 4 and 5 participated in an Arrows Archery competition in Northampton on Thursday afternoon. They represented the school extremely well and really enjoyed the experience. Well done to Lochie, Georgie, Frank, Josh, Sophie and Imogen.

Reading idea of the week:

Dinosaurs, volcanoes, meercats, tsunamis...what a lot of interesting things we're learning about in our 'Living on the Edge' topic. Can you find an interesting book or website (National Geographic Kids is brilliant!) to learn more about your topic?

Don't forget to check our website regularly at www.wsses.com. New content is added regularly, and you can find diary dates, information about uniform, snack, the Cool Milk scheme, school dinners and pupil premium, as well as resources, news and photos on the class pages.
