

CHESTER PARK
JUNIOR SCHOOL

Dear Parents/Carers

I would like to invite you to our Online Safety Workshops taking place on Friday 15th of February. The sessions will be 30 minutes long and there will be three opportunities to attend. The workshops will be taking place at 9am, 3pm and there will also be a session at 6pm (if you are picking up your child from the disco you can come a little earlier and take part).

The purpose of the workshops will be to share information about what our children are doing online, what dangers they face and what we can do to make them safer. Online safety is one of the biggest concerns for children today. Working together as a community to raise awareness of the dangers that exist will help make our children safer. I look forward to seeing you there.

Yours in Partnership

Phelim Byrne

Year 5 Teacher and Computing Lead

Caring and Happy Purposeful and Peaceful Jointly Achieving Success
Head Teacher: Mike McNama
Ridgeway Road, Fishponds, Bristol, BS16 3SY. Telephone 0117 3773365
