World book week at Fairholme

This year world book day will be celebrated on Thursday 7th March nationally and we will be holding a week full of special events and exciting activities to show our support for this. This year the theme of World Book Week will be bedtime stories.

The children in Fairholme love to read and we are looking forward to spending this special week encouraging this further.

Book in a Shoe Box Competition

We are inviting every child in school to take part in a home project to get creative and share their favourite book. The project is a challenge for each child to recreate their favourite story inside a shoebox, this is the only rule, other than

the story being inside a shoe box (or other suitable box) you can be as creative as possible. Here are some pictures to give you an idea...

Grown-ups working in school will also be encouraged to make their own story shoe box. Of course there will be a prize for the winner in each phase (Upper KS2, Lower KS2, KS1, Reception and Nursery) and a prize for the best grown-up's entry. This will be judged on World Book Day 7th March so please send the boxes into school for 6th March at the latest, make sure they are clearly labelled with your child's name and class.

Story Teller Visit

We are very lucky to have Story Teller Pat Ryan travelling all the way from Ireland to share his magical stories. He will visit school on Wednesday 6th March and work with every year group in school.

World Book Day - Dressing Up

On Thursday 7th March children (and staff) will be asked to come into school in their pyjamas and bring along their favourite bedtime story to share with their class. Please ensure that any books brought from home are clearly labelled with your child's full name.

If you would like to help during book week please talk with your child's class teacher!
