- Thursday 4th April: Parent Meetings Year 4, 5 and 6

Chinese New Year

We will be holding our Celebration Day on Friday 8th February. Details of workshops to follow!
Thank you

Parent Survey

Please take the time to complete our feedback survey. To access the survey you can go online and follow the link on our website or fill in the paper copy your child has brought home and send it back in the envelope provided. Fill it in from the perspective of your oldest child. If you have more than one child in school there is space to talk about younger children at the end. By completing the survey online you will be entered into a prize draw to win a T.V.

The deadline is Wednesday 30th January.

Thank you in advance.

Polite Reminders

- Please can parents make sure that children do not touch the staff cars in the carpark or lean on them themselves. Thank you.
- All children need a PE kit in school. PE is part of the curriculum and children need to be able to take part. All PE kits can be left in school for the half term and then be taken home to wash. We commit a large part of our budget to pay for sports coaches and opportunities for children and we want them all to be able to take part.

WELL DONE

To Year 4 for raising £32 for selling the chocolate they made.

Nursery Children

From next Friday (25th January) Nursery children will come down to the hall and take part in our celebration assembly. All parents are welcome to stay but you will get a text message the day before if your child is receiving a certificate. Our very new Nursery children may not come down until they are settled. Please check with the Nursery staff if you are unsure.

Parents' Coffee and Chat

There will not be a coffee and chat this week but next week Miss Palmer will be sharing our Sex and Relationships Curriculum with parents. So please come and find out what your child will be learning.

Attendance

Well done to Year 1 and Year 5 who were joint Attendance winners last week with 98.3%

Article of the Month for January: Article 28 Every child has the right to an education. Primary education must be free. Secondary education must be available for every child. Discipline in schools must respect children's dignity. Richer countries must help poorer countries achieve this.
