 Year 6: Monday 4th 2pm
 Please come and join your child!

Global Scholars

As many of you know Broadhurst takes part in the Global Scholars programme each year. I teach the programme in Year 5 and we are part of a collaboration with cities across the world. The children take part in online discussions with their international peers. This year the focus is Water in our Cities. The programme teaches the children about sustainability and global responsibility.

Last Year the organisers of the programme came to Broadhurst from New York and met our children.

This year they have invited me to a conference in New York about Global Learning. They are funding the entire trip! I will be out of school from Wednesday 30th January until Monday 4th February. I am planning to Skype Year 5 while I am there.

Parent Survey

So far only 24 of our families have filled in the survey. Please take the time to do this before Wednesday. Either on our Website or complete the paper copy your child brought home. By completing the survey online you will be entered into a prize draw to win a T.V. Thank you.

National Story Telling Week

Next week is National Story Telling week. There will be activities in School for the children during the week.

To really support this week please set aside a time each day to read a story to your child.

WELL DONE

To Year 5 for their excellent assembly on life in Victorian Times.

Parents' Coffee and Chat

There will be a coffee and chat this week. Miss Palmer will be sharing our Sex and Relationships Curriculum with parents. So please come and find out what your child will be learning.

Polite Reminders

- Please do not lean on staff cars in the car park.
- On Friday Nursery children will come down to the hall and take part in our celebration assembly. All parents are welcome to stay .
- All children must be taken to the hall door if attending Breakfast Club.

Attendance

Well done to Year 4 who were our attendance winners last week with 99.4%

Article of the Month for January: Article 28 Every child has the right to an education. Primary education must be free. Secondary education must be available for every child. Discipline in schools must respect children's dignity. Richer countries must help poorer countries achieve this.
