8<sup>th</sup> February 2019

### Class 1

This week has been really busy in class 1. All the children have done a great job of welcoming Mrs Johnson and they have all helped her to settle in. Everyone is becoming super writers and we are really enjoying our daily writing tasks. As you can see, we made our volcanoes erupt this week - it was very spectacular! Several of our dinosaurs were engulfed by the lava flow but they are all recovering well.

### Class 2

We have started reading a poem every day in class 2. After reading 'Bump!' by Spike Milligan, we decided to learn it off by heart and even came up with a few actions! Take a look at our class page on the school website to see us performing the poem.

### Class 3

In class 3 this week, we have been designing our own sundials in Design & Technology.

### Forest & Beach Schools Updates

Miss Ward recently passed her Open Awards Level 3 Beach Practical Skills and Environmental Management Award, which means that Waberthwaite CE Primary School is now a Beach School as well as a Forest School! Classes 1 and 2 are going to start Forest School sessions soon and class 3 are about to start putting our Beach School status to good use as they work towards gaining their John Muir Awards.

We trust that you will find the attached Forest and Beach School information leaflet useful when preparing your child for their great, outdoor adventures. Also attached to this newsletter is some information about the John Muir Award.

Please spend some time looking at the John Muir page of our school website to find out more about this exciting award. You will find the page in the 'News and Events' section of the website. The video on this page is well worth viewing.

We look forward to keeping you up to date with our John Muir adventures with pictures and videos on this page. Dates of beach visits are at the end of this newsletter and we will send out more specific information about Class 3's first beach trip next week.

### Carpark

Another reminder that if you are dropping off or collecting children from school, please can you ensure that your car is stationary while children and adults are on the carpark. This ensures the safety and wellbeing of everyone. Thank you for your understanding!

### Achievements

Well done to the winners of both the 'burgundy jumper' and 'good to be green' this week. These are:

Class 1 - Ava and Molly

Class 2 - Jake and Stanley

Class 3 - Marcel and Bertie

**School dates for your diary**

25<sup>th</sup> February - Class 3 Beach School day

4<sup>th</sup> March - Class 3 Beach School day
