

Dear Parents and Carers,

Once again World Book Day (**Tuesday 5th March**) is fast approaching. The theme this year is authors and illustrators. The children will be doing a range of activities based on works by famous authors such as Chris Riddell and Malorie Blackman.

This year, to celebrate World Book Day, we would like the school to take part in a giant reverse of a 'Where's Wally' photo shoot. Please could your child come dressed as the famous book character Wally. (A simple red and white theme will do!) The teachers will be dressed as alternative characters and we will be posting the photo online for children to 'spot' the hidden teachers.

Year 3 and 4:

We have organised an author / illustrator workshop in school for the children in lower school. Please could your child bring in some recycled objects with which to create their own book character on the day. Their character could be a robot, a mermaid, a monster or anything else from their imagination. School will also provide some additional crafting materials.

As always, please find your World Book Day tokens attached. Please could you continue to support our reading ethos by listening to your child read 4 times a week. The World Book Day texts would count towards their reading homework.

For more information, and a whole host of activities for the children, please visit www.worldbookday.com.

Many thanks for your continuing support,
Mrs Lindley, Literacy Coordinator
