

English

This term our topic will be based around Pompeii. We will get the chance to write letters, explanation texts and stories including flashbacks. We will be building on our grammar skills and applying them in new text types.

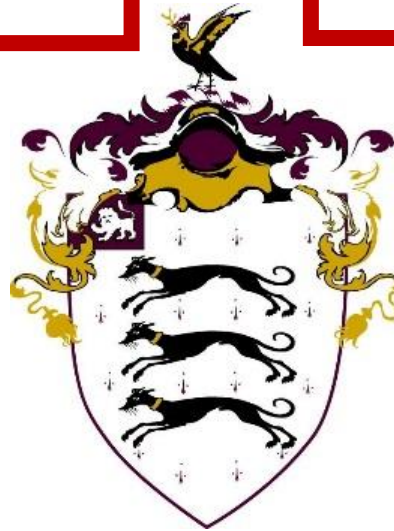

Maths

Our focus in maths this term will be on area, fractions and then moving on to decimals. We will be developing our reasoning and problem solving by using different equipment looking at the ideas in a variety of ways.

Science

Year 4: This term we will learn about states of matter, looking at solids, liquids and gases and changes between the different states.

Year 3: Will be continuing to learn about the human body and comparing it to other animals.

Elms: Escape from Pompeii

Topic: History

This term we will be learning about the Romans. We will learn about the impact they had on Britain, including what they left behind that can be still seen today. We will learn about what it was like living in Roman times and how the Celts dealt the Roman invasion.

P.E.

This term we will be learning about Tennis. We will learn about how to use a racket and work on our spatial awareness.

R.E.

This term we will be studying the question 'Why do Christians call the day Jesus died 'Good Friday?'. We will be looking at Christian traditions surrounding Easter and exploring Christians' beliefs in Jesus and his resurrection.

Computing

This term we will be developing our programming skills. We will be learning terminology such as 'algorithm' and 'debug' in order to create our own programs and test them successfully.
