World Thinking Day

World Thinking Day, is celebrated annually on 22nd February. It is celebrated by Scout and Guide organisations. It is a day when they think about their "sisters" and "brothers" in all the countries of the world, the meaning of Guiding & Scouting, and its global impact. 22nd February was chosen as it was the birthday of Scouting and Guiding founder Lord Robert Baden-Powell and of Lady Olave Baden-Powell, his wife and World Chief Guide. Other Scouts celebrate it as **B.-P. Day** or **Founders' Day**.

As part of the celebrations for World Thinking Day we are inviting children to come to school in their Brownies, Cubs, Rainbows, Beavers and Scout uniforms on Friday 22nd February.
