**Punctuality & Attendance**

There has been a big improvement this week. Thank you!

Just a note, if you receive a letter from Mrs. Kearns inviting you into school to discuss attendance, then **PLEASE DO NOT IGNORE IT**. It is essential that you are aware of the attendance process to avoid receiving a fine.

**ARE YOU READY?**

We still have children not bringing the correct equipment, so please can you ensure the following

1. **Come to school on time**
2. **Bring your reading book and planner**
3. **Have the correct uniform on**

**What’s In The Box?**

The children have been earning their tokens left, right and centre. However, today was counting day. I can declare that 6W are this half terms winners with 206 tokens. A non uniform day and film afternoon are on the horizon for them.

A non uniform day is also on the horizon for 5H for reading over 2.5 million words in 6 weeks.

Great work!!!

---

**Hurray!!! We have made it! That is the end of another very busy half term. We have crammed so much in since Christmas but I can promise you we have so much more to come.**

A number of things to draw your attention to this week.

**Goodbye** - On Wednesday of this week the whole school said Goodbye to Mr Beier. Mr. Beier, sadly is leaving the teaching profession and starting a completely new career. In his place I think we have found another super teacher. Mrs O’Reilly came to visit the school on Thursday and she certainly made an impression on us as well as the children in 4BM. I hope your will join us in making her feel part of the family.

**Pardon!!!** - We are constantly working with our children to teach them what is and what isn’t appropriate behaviour and language. However it came to our attention that we had a number of parents using completely inappropriate language on the playground. How does that help us? Please do not use this language in front of our children.

**New Procedures** - After half term all children will enter the school via the Year 6 doors. Any parents wishing to access the office can still go through the main reception doors but no children will be coming into school via that door. Those children accessing Breakfast Club will still have to use the Year 6 doors at the top of the playground. This is to further ensure the safety of our children meaning no adults should enter school unless going to the office. The end of day procedure will remain the same.

**Website** - We have a brand new website, it has all the information that you require in one place. Please have a look at www.princethorpe-jun.bham.sch.uk

If you have access to Twitter you can find us at @PrincethorpeJun
