

Here are the Year 1 spellings for Term 4 (there is also a copy on our website homepage). The spellings are all based on sounds we have all learnt and each week will focus on a different sound.

The red words are words that should be learnt by sight and, the children learnt these last term, in their phonics lessons.

Please practise at home and be ready to have a go in class on **Monday** afternoons.

Thank you

Miss Tennant and Miss Bailey
