A. INTRODUCTION

1. The Framework

- 1.1 The Board of Trustees has adopted a pay policy for its school based employees to provide a clear framework for exercising its discretionary powers in relation to the pay of individual members of staff for whom it is responsible.
- 1.2 These powers will be exercised to take account of the specific needs of the school or academy and in accordance with the flexibility specified within: the School Teachers' Pay and Conditions Document (STPCD); in the national Conditions of Service for NJC local government employees (the Green Book). All pay related decisions will also be taken in compliance with relevant employment and equality in employment legislation.
- 1.3 In applying these powers, the Board of Trustees may also take account of the advice of the trusts Executive Team and Goverance Advisors and the views expressed, through local consultation mechanisms, by recognised teachers' professional associations and teaching and support staff trade unions.
- 1.4 The majority of this pay policy refers to the discretionary elements of teachers' pay which do not currently exist to the same extent for support staff. However, the Governing Board, through the policy and trust scheme of deligation, recognises the need to consider staffing as a whole and to be mindful of all job descriptions and the associated pay implications. The policy, therefore, equally addresses the management of pay issues for support staff as for teachers.
- 1.5 The provisions of the policy also apply to all part-time employees, where appropriate on a pro rata basis. The policy thereby complies with the 'Part time Workers (Prevention of Less Favourable Treatment) Regulations, 2000' and the STPCD which stipulates the basis on which part-time teachers pay must be calculated.
- 1.6 In respect of teachers' pay decisions this policy should be read in conjunction with the 'Appraisal Policy for Teachers and Capability Procedure for all school employees'.
- 1.7 The policy complies with statutory requirements and also incorporates locally agreed provisions and pay ranges which have been the subject of consultation with local trade unions.

2. September 2018 – Pay Uplift

- 2.1 The key change in the STPCD 2018 relates to the pay uplift; the remaining provisions are largely unchanged from the STPCD 2017.
- 2.2 The STPCD applies a varied percentage uplift to the different statutory pay ranges. For more information about the changes this year, please see paragraph 2.5 below. The STPCD requires that where a teacher/member of the leadership group is paid on the minimum of their pay range, their salary must be uplifted to the new minimum. For all other teachers/leadership group members, schools must determine how to apply the uplift to individual salaries and pay ranges and how to take account of the uplift in making individual pay progression decisions.
- 2.3 The government expects schools to develop their own pay policies, within the parameters of the STPCD. In line with the normal process for setting a pay policy for schools in the trust, full consultation has taken place locally with Headteachers and trade unions/professional associations in order to develop specific arrangements which are recommended to all schools within the trust, and are set out in this Pay Policy.
- 2.4 The teachers' and leadership pay ranges for school based positions continue to include salary points in between the minima and maxima of the national ranges set out in the STPCD.
- 2.5 In respect of the pay uplift for 2018, the following apply in this school, with effect from 1 September 2018:
 - a) 3.5% increase to be applied to all points of the main pay range and the unqualified teacher pay range.
 - b) 2% increase to be applied to all points on the upper pay range and the leading practitioner pay range.
 - c) 1.5% increase to be applied to all points on the leadership pay range.
 - d) 2% increase to be applied to each of the current values relating to the TLR and SEN allowances.
- 2.6 The pay ranges and allowances effective from 1 September 2018 are included in this Pay Policy at **Appendix 8**, and within the body of the policy, as appropriate.
 - 2.6.1 In respect of Headteachers, the provisions of the STPCD 2015 meant that where the top of a Headteacher's Individual Salary Range (ISR) coincided with the top of the Headteacher group, the Headteacher did not receive the 1% uplifted value of that point in 2015/16 – in effect their annual salary was frozen at the 2014/15 rate.

To comply with this provision, it was necessary in 2015/16 to establish two values for each of the points on the Leadership pay range which corresponded to the top of the eight Headteacher Groups – ie points L18, L21, L24, L27, L31, L35, L39, L43 – with the lower value relating to the ‘frozen’ salaries.

To comply with the STPCD 2018 provision for a 1.5% uplift, it is necessary to continue with two values for the above-mentioned points. They are therefore included in the Leadership Pay Range, and are differentiated by the addition of ‘A’ and ‘B’ to each of the appropriate points to indicate the lower and higher values respectively. The details of these particular points, and how they are applied, are included in **Appendices 2 and 2a**.

3. Pay Arrangements for Leadership Group

3.1 The STPCD 2014 introduced a number of changes to the arrangements for pay for the leadership group – i.e. Headteachers, Deputy Heads and Assistant Heads. These arrangements continue to apply, and so are included in this Pay Policy. For information, and ease of reference, a summary of the arrangements is provided below:

- (a) a three stage process to guide governing bodies and boards in setting pay for headteachers and the wider leadership group, taking account of challenge and role;
- (b) relevant former allowances to be taken into account when setting base pay, rather than being paid as separate allowances;
- (c) removal of leadership pay points and of prescriptive pay differentials between classroom teachers and leadership roles;
- (d) pay progression that better reflects individual performance for the leadership group;
- (e) discretion for the Governing Board to set pay for Headteachers up to 25% above the broad pay bands, and, in wholly exceptional circumstances, beyond 25%;
- (f) recruitment and retention benefits to be retained as a separate allowance for other teachers, but to be limited to housing/relocation allowances for Headteachers and other leadership group posts where pay has been set under the new arrangements;
- (g) discretionary payments may only be made to Headteachers for additional duties undertaken on a temporary or irregular basis.

4. Pay arrangements for Teachers

4.1 The STPCD 2013 introduced a number of changes to the arrangements for teachers' pay, including:

- Link pay progression to performance for all teachers;
- Removal of ASTs and Excellent Teacher pay scales and assessment processes;
- New Leading Practitioner pay range;
- New fixed-term TLR3; and
- Removal of 3 year limit on Recruitment and Retention incentives/benefits.

4.2 The above changes became effective from 1 September 2013; they have been reflected in the Pay Policies since then, and are included in this year's Pay Policy.

4.3 Decisions on pay progression in September 2014 were linked to performance for all teachers, in accordance with the STPCD 2014. Performance related pay continues to be a statutory requirement for all teachers, and this is reflected in this Pay Policy.

5. Principles

5.1 In adopting and applying the Pay Policy, the Governing Board seeks to:-

- (a) meet its statutory duty to promote high standards of achievement amongst all pupils;
- (b) support the aims/mission statement of the school and the implementation of the School Development Plan;
- (c) ensure that each member of the staff is valued and receives proper recognition for his/her work and contribution to the school;
- (d) ensure fair, objective and open treatment of all staff within the school regardless of race, disability, sex, age, religion or belief, sexual orientation, pregnancy and maternity, gender reassignment;
- (e) enhance and maintain staff morale through an awareness of the impact of decisions on all members of staff; and
- (f) use appropriate flexibilities within the national and local pay and conditions of service for all staff in a positive and constructive fashion within the resources available and according to the criteria stipulated within the policy.

6. Job descriptions and Job Evaluation

- 6.1 The Headteacher will ensure that each member of staff is provided with a job description in accordance with the staffing structure agreed by the relevant Governing Board. Job descriptions may be reviewed from time to time in consultation with the individual employee concerned based on the changing needs of the school.
- 6.2 In respect of unique support roles, each job/post will be evaluated for pay purposes on the basis of the job description and staffing structure using objective criteria set by the school, such as accountability and responsibility.

7. Performance Related Pay (PRP)

- 7.1 In line with the Appraisal Policy, Appraisers are responsible for appraisal/performance management. The Headteacher may either be the Appraiser for other teachers, including members of the leadership group, and Leading Practitioners, or may delegate this role in its entirety. The Governing Board may appoint two to three members of the Governing Board as Appraisers for the Headteacher, together with an External Adviser, as required by appraisal legislation.
- 7.2 With effect from 1 September 2014, all teachers, as well as the leadership group, have been subject to Performance Related Pay. In formulating performance objectives for 2018/19 this Pay Policy must be taken into account, so that individuals are aware of what is required in order to progress through their respective ranges.

8. Review of the Pay Policy

- 8.1 The Governing Board accountable for pay decisions will undertake an annual review of the School Pay Policy in the light of: any changes to national or local conditions of service which require amendment to the policy; experience of the previous year's implementation of the policy; or changes in the needs of the school.
- 8.3 By 31st October each year, or as soon as practicable thereafter, the relevant Pay Committee will review the salaries of all staff (both teaching and support) in relation to their job descriptions and, where applicable, performance related pay.
- 8.4 Following the annual pay review, each member of staff will be notified in writing of his/her salary point with effect from September of that year, and how it has been calculated in respect of the relevant pay range and performance pay. For teachers, **Appendices 3a and 3b** outline the information required in pay statements. In addition, where a performance

pay point has not been awarded, specific reasons will be given in an appendix to the pay statement.

9. Information and Confidentiality

- 9.1 Each member of staff has the right of access to his/her personal salary record by giving notice to the Headteacher.
- 9.2 All decisions of the Pay and Pay Appeal Committees, together with the criteria used and evidence to inform decisions, will be formally minuted (in accordance with the regulations applicable to all committee meetings of the Governing Body) and reported to the Governing Board in the relevant confidential section of the Governing Board minutes. The minutes will be retained as confidential on the school's pay file.

10. Financial Resource

- 10.1 The Governing Board will allocate funding annually for staff salaries which will cover all ongoing commitments.
- 10.2 In addition, the Governing Board will identify a sum which it intends may be used by the Pay Committee for PRP purposes. The budget allocated will take account of central Government grants and the need to strike a balance between the school's aims, as defined within its Development Plan, and the school's own resources available to support these aims.

11. Appeals

- 11.1 Any employee may seek a review of any decision in relation to his/her pay and any other decision taken that affects his/her pay.
- 11.2 The procedure for the Pay Committee reviewing pay decisions and the Appeal Procedure to Pay Committee and Pay Appeal Committee is attached at **Appendices 4 and 4a** to this policy.

12. Responsibilities

- 12.1 The Governing Board has responsibility for establishing the school's Pay Policy, ensuring its application in practice and reviewing it on an annual basis. The Governing Body is also responsible for determining the annual pay budget.
- 12.2 The Governing Board will establish a Pay Committee with delegated responsibility and authority to implement the pay policy on its behalf and to hear any representations concerning decisions made, should these be requested.

- 12.3 The Governing Board will establish a Pay Appeal Committee to hear appeals against decisions of the Pay Committee concerning the pay of individual members of staff.
- 12.4 The Appraiser(s) will make recommendations on the award of PRP points to relevant teachers. The initial recommendations will be moderated by the Headteacher to ensure a fair and consistent approach to pay progression within the school, before they are submitted to the Pay Committee for them to make pay decisions. In the event that the Headteacher considers that a change to the initial pay recommendation is necessary, they will discuss this with the Appraiser (if this role has been delegated), and then will explain the decision to the individual teacher concerned before it is submitted to the Pay Committee. In the case of the Headteacher's review, the Pay Committee will review the Headteacher's performance and award the PRP points and confirm the ISR.
- 12.5 The Headteacher will ensure that the Pay Committee is provided with sufficient information to be satisfied that a robust and fair appraisal process is in place, and that pay recommendations are based on this process. Whilst this does not require the provision of individuals' appraisal documents, it may include information in the form of a summary, drawn from appraisal documents. In the event of a review of a pay decision, or an appeal, it is expected that all the documents relating to the pay recommendation and the pay decision will be shared with the relevant parties, on a confidential basis.

13. Committee Membership and Withdrawal from Meetings

- 13.1 The Education (School Government) (England) Regulations 2003 require that any Governor who is a person employed to work at the school (other than the Headteacher) must withdraw during the consideration or discussion and cannot vote in relation to the pay of any particular person working at the school. Such Governing Board members will not therefore be members of the school's Pay Committee or Pay Appeal Committee.
- 13.2 The Headteacher must withdraw during discussion and determination of his/her own pay and during discussion of the Deputy's pay if a question of differentials between the Deputy and the Headteacher is to be discussed. The Headteacher will therefore have an advisory role to the school's Pay Committee and Pay Appeal Committee, but will not be a member of either Committee.

14. Qualified Teacher Learning and Skills Status (QTLS)

- 14.1 With effect from 1 April 2012, teachers with QTLS status are able to teach in schools as fully qualified teachers. Headteachers have the freedom to decide which standards they assess the performance of QTLS holders

against. They can either assess QTLS holders' performance against the Teachers' Standards or against any other set of standards relating to teacher performance issued by the Secretary of State or against any other professional standards that are relevant to their performance or against any combination of those three.

B LEADERSHIP GROUP

15. Implementation of new arrangements

- 15.1 The arrangements described in this section have been applicable since 1 September 2014, when they were introduced into the STPCD 2014. They apply when there are new appointments to leadership posts, or where there are significant changes in responsibilities which merit a review of the post. It will be for the Governing Body to determine, in the light of the school's particular circumstances and context, the extent to which any change should be regarded as 'significant'. In doing so, the Governing Body will want to pay particular attention to the extent to which the change creates new levels of accountability and responsibility for the leadership group member or members. Where a new appointment is made to, or responsibilities significantly change in, a leadership post, schools may choose to review the pay of all leadership posts to maintain consistency in pay arrangements within the group.
- 15.2 Where a teacher was appointed to a leadership post before 1 September 2014 but did not take the post up before that date, their pay was determined under the 2013 STPCD.
- 15.3 Teachers who were already in leadership posts at 1 September 2014 will continue to have their existing pay arrangements applied to them, until such time as their post is reviewed in the circumstances outlined in paragraph 15.1 above; at that point the revised pay arrangements set out below will apply.

16. Leadership Pay Ranges

- 16.1 The Headteacher, Deputy Headteacher(s) and, where appointed, Assistant Headteacher(s) have substantial strategic responsibilities for school leadership and will be paid on the leadership pay range.
- 16.2 The STPCD 2018 only stipulates the minimum and maximum values of each of the eight Headteacher Groups and of the leadership pay range. and states that it is for schools to decide how to arrange pay within these parameters. By adoption of this policy, the former leadership pay range will be retained for use in this school, extended by nine additional points to accommodate the discretion to set a pay range up to 25% beyond the top of the Headteacher Groups.

- 16.3 The leadership pay range is attached at **Appendix 2** and includes examples to show how it can be used.
- 16.4 The STPCD requires that there is sufficient scope within an individual's pay range to allow for performance related progress over time. Locally it has been agreed that this will be achieved by continuing to use a seven point range for Headteacher posts, and a five point range for other leadership posts.

17 Setting pay for Headteacher posts

- 17.1 The STPCD requires that all permanent responsibilities and the complexity and challenge of the role in the context of the school are taken into account when setting base pay for the Headteacher and other leadership roles. Allowances are payable only in respect of temporary responsibilities, such as temporary responsibility for another school. To comply with this requirement, the steps set out in this section should be followed when setting pay for Headteachers.
- 17.2 The responsibilities and accountabilities of the post, and the required skills and relevant competencies should be defined by the Governing Body and set out in the job description and person specification.
- 17.3 The school must be assigned to a Headteacher Group by calculating the total unit score in accordance with the method set out in the STPCD 2018 (paragraphs 5 – 9). Where a Headteacher is permanently responsible for more than one school, the total unit score of all the schools must be used when assigning the Headteacher group. This process will give the broad pay range for the post.
- 17.4 An individual seven point pay range must then be established for the Headteacher post. The challenge and complexity of the role in the particular context of the school should be considered at this stage, and a judgement made on the appropriate level of pay. Examples of the matters to be considered are as follows:
- Context and challenge arising from pupils' needs – e.g. if there is a high level of deprivation in the community, or high numbers of looked after children or children with special needs, or a high level of pupil mobility, and this affects the challenge in improving outcomes;
 - The circumstances of the school – e.g. it is rated by Ofsted as requires improvement or is in special measures;
 - The level of complexity in the role – e.g. managing multiple stakeholders, or across dispersed sites; and
 - Whether there are recruitment or retention issues relative to the post.
- 17.5 There must be no 'double counting' of considerations, to avoid pay being increased more than once for the same reason. For example,

responsibility for more than one school cannot be a reason for increasing base pay if it has been reflected already by using the total score unit of all schools In calculating the Headteacher Group for the school.

- 17.6 There should be no increase in base pay nor payment of an additional allowance for regular local collaboration which is part of the role of all Headteachers.
- 17.7 Account should be taken of pay differentials between the Headteacher role and other leadership roles. The pay range for Deputy or Assistant Headteachers must not overlap that of the Headteacher. The top of the pay range for the deputy or assistant Headteachers must not go beyond the maximum of the school's Headteacher Group.
- 17.8 In most cases the pay range in the appropriate Headteacher Group will provide sufficient breadth within which to allocate an individual pay range which appropriately rewards the Headteacher role. However, there may be circumstances in which the particular responsibilities of the role are such that it is judged that a fair reward for the post goes beyond the top of the Headteacher Group. In these circumstances, the Governing Body may set the individual pay range with a maximum point of up to 25% above the top of the Headteacher Group. There must be a clear business case for doing so. In wholly exceptional circumstances, it may be possible to go beyond 25%, but external independent advice must be sought in such cases and, should the advice suggest that an additional payment is appropriate, a robust business case must be made and agreed by the full Governing Body. The provision to set a pay range up to 25% above the top of the Headteacher Group is applicable only to Headteacher posts – it does not apply to other posts on the Leadership Pay Range.
- 17.9 In setting a pay range beyond the top of the Headteacher Group, the Governing Body should ensure that the seven point range corresponds to points on the leadership pay range. Whilst this means that exact % payments cannot be necessarily applied, it still gives considerable flexibility and extends each group by up to an additional nine points. Examples of setting such pay ranges are provided in **Appendix 2b**.
- 17.10 Any permanent features of the Headteacher role must be taken into account when setting base pay. Any temporary responsibilities, such as temporary responsibility for an additional school, must be paid through an allowance rather than being consolidated in base pay.
- 17.11 The maximum of the Headteacher's individual pay range plus any additional temporary allowances must not exceed the maximum of the Headteacher Group by more than 25%, unless there is a robust business case as outlined in paragraph 17.8 above. The total sum of any temporary payments made to a Headteacher in any school year must not exceed 25% of the annual salary which is otherwise payable to the Headteacher. (See also paragraph 19 below).

- 17.12 Any recruitment and retention considerations about the post should be taken into account when setting base pay, and so a Headteacher will not be eligible to receive recruitment and retention incentives or benefits as a separate payment. The only exception to this is reimbursement of reasonably incurred housing or relocation expenses which relate solely to the personal circumstances of the Headteacher concerned; in such cases the amount paid will not count towards the 25% limit referred to in 17.11 above.
- 17.13 In wholly exceptional circumstances, the Pay Committee may determine that additional payments be made to Headteachers which do exceed the 25% limit; agreement from the Governing Board would have to be obtained, and the Governing Board is required to seek external independent advice before agreeing to any such payments.
- 17.14 Where there is a new appointment to a Headteacher post, and the individual pay range has been set in the manner outlined above, the Governing board will need to decide on a starting salary for the Headteacher, once they have selected their preferred candidate. Consideration will need to be given to how well the candidate fits the requirements of the role, whether he/she brings any particularly valuable skills or experience which will assist the school, and matters such as current salary, which may have a bearing on the starting salary.
- 17.15 It may be the case that the candidate has specific attributes which the Governing Body wishes to secure by making the pay package more attractive; in these circumstances the Governing Board may wish to consider revising the original pay range and improving it to incentivise the individual concerned to accept the post. If this is to be considered, the top of the revised grade must be within the 25% limit, and there must be no double-counting of the reasons for increasing the pay range.
- 17.16 The Governing Board will formally record all decisions taken in respect of Headteacher's pay, including any temporary allowances, together with the rationale for the decisions.

18. Appointing to the wider Leadership Group

- 18.1 Appointments to positions other than the Headteacher post in the wider leadership group require a similar consideration process to that outlined above for Headteacher posts – excluding the provision to set a pay range up to 25% beyond the top of the Headteacher Group (this is applicable only to Headteacher posts)
- 18.2 The pay range for a Deputy or Assistant Head post must consist of five consecutive spinal column points on the leadership pay range.
- 18.3 In setting pay for leadership posts, consideration must be given to the duties and responsibilities of the role, the job weight and challenge, and how the role fits within the wider leadership structure of the school.

Pay differentials must be taken into account to ensure that the maximum of the deputy or assistant teacher's pay range does not overlap the Headteacher's individual pay range, and that the top of the Deputy and Assistant Headteacher ranges do not go beyond the top of the Headteacher group for the school. The pay range may overlap with other leadership and classroom teacher positions if appropriate, depending on the weight of the job.

- 18.4 Any permanent features of the Deputy or Assistant Headteacher role must be taken into account when setting base pay. Any temporary responsibilities, such as temporary participation in out-of-school hours activities, must be paid through an allowance rather than being consolidated in base pay.
- 18.5 Any recruitment and retention considerations about the post should be taken into account when setting base pay, and so a Deputy or Assistant Headteacher will not be eligible to receive recruitment and retention incentives or benefits as a separate payment. The only exception to this is reimbursement of reasonably incurred housing or relocation expenses which relate solely to the personal circumstances of the deputy or assistant Headteacher concerned.
- 18.6 There must be no 'double counting' of considerations, to avoid pay being increased more than once for the same reason.
- 18.7 Where there is a new appointment to a Deputy or Assistant Headteacher post, and the individual pay range has been set in the manner outlined above, the Governing Board will need to decide on a starting salary for the individual, once they have selected their preferred candidate. Consideration will need to be given to how well the candidate fits the requirements of the role, whether he/she brings any particularly valuable skills or experience which will assist the school, and matters such as current salary, which may have a bearing on the starting salary.
- 18.8 The Governing Body will formally record all decisions taken in respect of the deputy or assistant Headteacher's pay, including any temporary allowances, together with the rationale for the decisions.

19. Temporary Discretionary Payments to Headteachers

- 19.1 The Pay Committee may determine that additional payments be made to Headteachers for clearly temporary responsibilities or duties that are in addition to the post for which their salary has been determined (e.g. where the Headteacher is appointed as a temporary Headteacher of one or more schools). The reasons for the circumstances must not have been taken into account when setting the Headteacher's pay range.
- 19.2 The total sum of any temporary payments (other than relocation expenses) made to a Headteacher in any school year must not exceed 25% of the annual salary which is otherwise payable to the Headteacher.

- 19.3 Only in wholly exceptional circumstances where the payments have been approved by the full Governing Body, and where external independent advice has been sought, may the total of all temporary discretionary payments exceed 25%.

20. Performance Related Pay – Leadership posts

- 20.1 On an annual basis, the performance of Headteachers, deputies and assistants will be assessed by the Appraiser(s) in order to ascertain whether the statutory criterion of ‘sustained high quality of performance having regard to the results of the most recent appraisal’ has been met. The performance review will need to assess whether leadership group members have grown professionally by developing their leadership and (if relevant) teaching expertise.
- 20.2 In determining whether these statutory criteria have been met, the Appraiser(s) will consider whether the leadership teacher has:
- sustained the Headteacher/Deputy/Assistant Headteacher professional responsibilities as detailed within the STPCD in a fully satisfactory manner;
 - achieved or made good progress towards the performance objectives agreed or set under the school’s Appraisal Policy; and
 - grown professionally by developing his/her leadership and (where relevant) teaching expertise.
- 20.3 In considering whether the performance objectives have been met, account will be taken of whether particular unforeseen circumstances outside the teacher’s control may have led to a particular challenging objective not being achieved. Objectives will become progressively more challenging as the leadership group member gains experience and if he/she moves up the pay spine.
- 20.4 The Appraiser(s) will make recommendations and provide evidence, as appropriate, on whether the PRP criteria have been met. Where the criteria have been met, pay progression by one point would normally be recommended – unless the individual has reached the top of their pay range. Where evidence shows that there has been exceptional performance by the leadership teacher, an award of one additional point may be recommended. If the evidence shows that the individual has not made good progress, then the appraiser may recommend that there should be no pay progression.
- 20.5 Before making a decision to withhold pay progression, the Governing Body must be satisfied that the teacher has been made aware of concerns about their performance during the course of the appraisal process, that the concerns have been documented, and that the teacher has had appropriate support from the school to improve. The possibility of

progression being withheld should not come as a surprise to the teacher concerned. It is not necessary for a teacher to be subject to capability proceedings in order for pay progression to be withheld.

- 20.6 The Pay Committee will take the above mentioned factors into account in making its decisions on pay progression for teachers in the leadership group.

21. Temporary Arrangements

- 21.1 The Pay Committee will consider paying a teacher who is temporarily carrying out the full duties of an absent Headteacher, Deputy or Assistant Headteacher at an appropriate point within the Headteacher's or Deputy/Assistant Headteacher's individual pay ranges when the absence extends beyond four weeks. The temporary pay point will not necessarily be the same as the point on the leadership pay range of the substantive post holder but will not be less than the minimum point of the established individual pay range. The increase in salary will be back-dated from the first day of absence.
- 21.2 In the case of planned prolonged absence of more than four weeks, an acting pay point within the Headteacher or Deputy or Assistant Headteacher pay ranges will be established in advance and paid from the first day of absence.
- 21.3 When the temporary period of acting up comes to an end, the teacher concerned will return to the point on his/her substantive pay range which would have applied had he/she not taken up the temporary arrangement.

22. Safeguarding

- 22.1 In accordance with statutory provisions, members of the leadership group who will or may have their substantive salaries reduced as a result of an internal reorganisation of the staffing structure or otherwise, are subject to time-limited cash safeguarding for a maximum of three years.

C. OTHER TEACHERS

23. Pay on Appointment

- 23.1 Qualified classroom teachers who have not yet applied to be paid on the upper pay range shall be paid on the main pay range for Qualified Teachers. The Governing Body should match existing salary points for all new appointments.

23.2 The Governing Body may, if necessary, use its discretion to award a recruitment incentive benefit to secure the candidate of its choice, in line with paragraph 24 of this policy.

24. Main Pay Range Classroom Teachers

24.1 Pay determinations for existing main pay range teachers effective from 1 September 2018.

24.2 The Pay Committee will use the following pay range for classroom teachers:

Main pay range for classroom teachers 2018	
Point	Annual salary
	£
M1	23,720
M2	25,594
M3	27,652
M4	29,780
M5	32,126
M6	35,008

24.3 Appraisal objectives will be appropriate to the career stage, and teachers will be expected to use their experience and skills, which they have developed over time, to a greater extent as they progress up the main pay range.

24.4 Teachers will have the opportunity to progress up the main pay range one point at a time, on an annual basis. To move to the next point on the range, teachers will need to have made good progress towards their objectives and have shown that they are competent in all elements of the Teachers' Standards attached in **Appendix 5** of this policy, to a level that is consistent with what can be reasonably expected from a teacher at the relevant stage of their career, having regard to the internal teaching and learning policy within the School.

24.5 If the evidence shows that a teacher has exceptional performance, the Governing Board will consider the use of its flexibilities to award one additional point on progression. Exceptional performance could, for example, be exceeding the majority of their objectives or achieving a particularly challenging objective, as well as demonstrating competence in all elements of the teachers' standards.

24.6 If the evidence shows that a teacher has not made good progress, as described above, then the Governing Board will consider using its flexibilities and may award no pay progression.

- 24.7 Before making a decision to withhold pay progression, the Governing Board must be satisfied that the teacher has been made aware of concerns about their performance during the course of the appraisal process, that the concerns have been documented, and that the teacher has had appropriate support from the school to improve. The possibility of progression being withheld should not come as a surprise to the teacher concerned. It is not necessary for a teacher to be subject to capability proceedings in order for pay progression to be withheld.
- 24.8 All pay judgements will be properly rooted in evidence; evidence will be included in the annual appraisal reports, and will relate to teachers' standards, other relevant professional standards, contribution to school improvement, and to the progress of pupils, as well as to the teacher's individual objectives, and their job description.
- 24.9 The process for assessing teachers against these factors is contained in the school's Appraisal Policy.
- 24.10 All pay recommendations for teachers on the main pay range will be moderated by the Headteacher.
- 24.11 The Pay Committee will be advised by the Headteacher in making all such decisions. Any increase (i.e. no movement, one point, two points) will be clearly attributable to the performance of the teacher in question. In the event of an appeal process the Pay Committee will be able to justify its decisions.

25. The Upper Pay Range

25.1 Post Threshold

The Board of Trustees has established the following upper pay range for Teachers who meet the criteria for this range (as set out in this section of the policy):

Upper pay range for classroom teachers 2018	
Point	Annual salary
	£
U1	36,646
U2	38,004
U3	39,406

25.2 Applications to be paid on the Upper Pay Range

- 25.2.1 Teachers on point six of the main pay range can apply to be paid on the upper pay range (UPR). The Headteacher may identify those teachers who are eligible to apply, and remind them of the timescale for applications. If a teacher is simultaneously employed at another school(s), they may submit separate applications if they wish to apply to be paid on the UPR in that school.
- 25.2.2 All applications should include the results of the two most recent appraisals, under the Appraisal Regulations 2012, in this school, including any recommendation on pay. Where such information is not applicable or available, (e.g. those returning from maternity or sickness absence), or where existing evidence needs to be supplemented, a written statement and summary of evidence designed to demonstrate that the applicant has met the assessment criteria must be submitted by the applicant. Where teachers have moved school during the assessment period, the Headteacher should consult with the Headteacher of the previous school to seek evidence as to the teacher's suitability for progression.
- 25.2.3 In order for the assessment to be robust, transparent and equitable, it will be an evidence-based process only. Teachers therefore should ensure that they build a mainly paper evidence base to support their application. Those teachers who are not subject to the Appraisal Regulations 2012, or who have been absent, through sickness, disability or maternity, may cite written evidence from a 3 year period before the date of application in support of their application.

25.3 Process for UPR application

- 25.3.1 One application may be submitted annually. The closing date will be **31st October**, however, exceptions will be made in particular circumstances, e.g. those teachers who are on maternity leave or who are currently on sick leave. The process for applications is:
- The teacher should submit a written application and supporting evidence to the Headteacher by **31st October**;
 - The assessor will assess the application, and will make a recommendation to the school's Pay Committee;
 - The application, evidence and recommendation will be passed to the Headteacher for moderation purposes, if the Headteacher is not the assessor;
 - The Pay Committee will make the final decision, advised by the Headteacher;

- Teachers will receive written notification of the outcome of their application within one month of the Pay Committee's decision. Where the application is unsuccessful, the written notification will include the areas where it was felt that the teacher's performance did not satisfy the relevant criteria set out in this policy (see 'Assessment' below);
- If requested, oral feedback will be provided by the assessor. Oral feedback will be given within 10 school working days of the date of notification of the outcome of the application. Feedback will be given in a positive and encouraging environment and will include advice and support on areas for improvement in order to meet the relevant criteria;
- Successful applicants will move to the minimum of the UPR with effect from **1 September** of the year in which they made their application; and
- Unsuccessful applicants have the right to appeal against the decision, in accordance with the appeals process set out in paragraph 11 and **Appendix 4** of this policy.

25.4 Assessment process for UPR application

25.4.1 The teacher will be required to meet the criteria set out in the STPCD, namely that:

- the teacher is highly competent in all elements of the relevant standards; and
- the teacher's achievements and contribution to an educational setting or settings are substantial and sustained.

25.4.2 In this school, this means:

'relevant standards': these are the Teachers' Standards (attached at **Appendix 5**), and the professional standards for post-threshold teachers (attached at **Appendix 6**).

"highly competent": the teacher's performance is not only good but also good enough to provide coaching and mentoring to other teachers, give advice to them and demonstrate to them effective teaching practice and how to make a wider contribution to the work of the school, in order to help them meet the relevant standards and develop their teaching practice;

"substantial": the teacher's achievements and contribution to the school are of real importance, validity or value to the school; plays a critical role in the life of the school; provides a role model for teaching and learning; make a distinctive contribution to the raising of pupil standards; takes advantage of appropriate opportunities for professional development and uses the outcomes effectively to improve pupils' learning; and

“sustained”: the teacher must have had two consecutive successful appraisal reports and have made good progress towards their objectives during this period (see exceptions, e.g. maternity/sick leave, in the introduction to this section). They will have been expected to have shown that their teaching expertise has grown over the relevant period and is consistently good to outstanding.

25.4.3 The process for assessing teachers against these factors is contained in the school’s appraisal policy.

25.5 UPR pay determinations effective from 1 September 2018

25.5.1 Teachers will have the opportunity to progress up the upper pay range by one point every two years. To move up the range they will need to have made good progress towards their objectives and have shown that they are competent in the relevant standards.

25.5.2 The Pay Committee will determine whether there should be any movement on the upper pay range. In making such a determination, it will take into account:

- the evidence base, which should show whether the teacher has had a successful appraisal and has made good progress towards objectives;
- evidence that the teacher has maintained the criteria set out in paragraph 25.4.1 above, namely that the teacher is highly competent in all elements of the relevant standards; and that the teacher’s achievements and contribution to an educational setting or settings are substantial and sustained. The meaning of these criteria is set out in this policy (25.4.2).

25.5.3 Appraisal objectives will reflect post threshold standards and become more challenging as the teacher gains experience and progresses up the upper pay range.

25.5.4 Pay progression on the upper pay range will be clearly attributable to the performance of the individual teacher. The Pay Committee will be able to objectively justify its decisions.

25.5.6 Where it is clear that the evidence shows the teacher has made good progress, i.e. they continue to maintain the criteria set out in 25.4.2, and has made good progress towards their objectives, the teacher will move to the mid-point on the upper pay range; or if already on the mid-point, will move to the top of the upper pay range.

25.5.7 If the evidence shows that a teacher has not made good progress, as described above, then the Governing Body will consider using its flexibilities and may award no pay progression.

- 25.5.8 Before making a decision to withhold pay progression, the Governing Body must be satisfied that the teacher has been made aware of concerns about their performance during the course of the appraisal process, that the concerns have been documented, and that the teacher has had appropriate support from the school to improve. The possibility of progression being withheld should not come as a surprise to the teacher concerned. It is not necessary for a teacher to be subject to capability proceedings in order for pay progression to be withheld.
- 25.5.9 The process for assessing teachers against these factors is contained in the school's Appraisal Policy.
- 25.5.10 All pay recommendations for teachers on the upper pay range will be moderated by the Headteacher.
- 25.5.11 The Pay Committee will be advised by the Headteacher in making all such decisions.

26 Leading Practitioner Roles

26.1 The role of a Leading Practitioner

- 26.1.1 If it is determined that a Leading Practitioner role is required in this school, to lead on modelling and improving teaching skills, then the following will apply.
- 26.1.2 The Governing Board will take account of paragraph 16 and paragraphs 35-37 in section 3 of the STPCD 2018 when determining the role of Leading Practitioner in this school. Additional duties will be set out in the job description of the Leading Practitioner and will include:
- a leadership role in developing, implementing and evaluating policies and practices in the school that contribute to school improvement;
 - the improvement of teaching skills within school, and (if a requirement of the role) within the wider school community, which impact significantly on pupil progress;
 - improving the effectiveness of staff and colleagues, particularly in relation to specific areas such as outlined or necessary within a trust schools improvement plan.

26.2 Leading Practitioner Pay Range

- 26.2.1 The Board of Trustees has established the following Leading Practitioner pay range:

Leading Practitioner Pay Range 2018	
Point	Annual Salary
	£
LP1	40,162
LP2	41,167
LP3	42,195
LP4	43,246
LP5	44,323
LP6	45,435
LP7	46,658
LP8	47,735
LP9	48,926
LP10	50,183
LP11	51,486
LP12	52,672
LP13	53,989
LP14	55,335
LP15	56,712
LP16	58,219
LP17	59,557
LP18B	61,054

26.3 Pay on appointment

26.3.1 When appointing to a Leading Practitioner role, the Governing Board will determine a pay range for the post, consisting of five consecutive points within the Leading Practitioner pay range.

26.3.2 In determining the five point range, the Governing Board should take into account the following criteria, together with any other criteria they consider appropriate:

- the nature of the work to be undertaken, including any work with teachers from other schools;
- the degree of challenge of the role;
- how the post will fit into the structure of the school, in terms of internal pay relativities; and
- the status of the grade as an alternative to posts paid on the leadership pay range.

26.3.3 Applicants for Leading Practitioner posts will normally be expected to be on the upper pay range; or to be at the top of main pay range, and have demonstrated that they meet the criteria to move onto the first point of the upper pay range, and would be moved on to that point if they were not appointed as a Leading Practitioner.

26.3.4 Leading Practitioners will be appointed to the lowest point on their specified five point pay range, and will have the opportunity to move up the range one point at a time, on an annual basis, subject to successful annual assessment against the required standards of the post.

26.4 Pay determinations with effect from 1 September 2018

26.4.1 The Headteacher will agree appraisal objectives for the Leading Practitioner.

26.4.2 The Pay Committee shall have regard to the results of the Leading Practitioner's appraisal, including the pay recommendation, when exercising any discretion in relation to their pay.

26.4.3 The Pay Committee will take account of evidence which should show whether the Leading Practitioner:

- has made good progress towards their objectives;
- is an exemplar of teaching skills, which should impact significantly on pupil progress, within school and within the wider school community, if relevant;
- has made a substantial impact on the effectiveness of staff and colleagues, including any specific elements of practice that have been highlighted as in need of improvement;
- is highly competent in all aspects of the Teachers' Standards;
- has shown strong leadership in developing, implementing and evaluating policies and practice in their workplace that contribute to school improvement.
- meets the standards for Leading Practitioners, as set out in **Appendix 7** of this document.

26.4.4 'Highly competent' and 'substantial' are defined at 25.4.2 of this policy.

26.4.5 Pay progression on the Leading Practitioner pay range will be clearly attributable to the performance of the individual teacher. The Pay Committee will be able to objectively justify its decisions.

26.4.6 If the evidence shows that a teacher has not made good progress, as described above, then the Governing Body will consider using its flexibilities and may award no pay progression.

26.4.7 Before making a decision to withhold pay progression, the Governing Board must be satisfied that the teacher has been made aware of

concerns about their performance during the course of the appraisal process, that the concerns have been documented, and that the teacher has had appropriate support from the school to improve. The possibility of progression being withheld should not come as a surprise to the teacher concerned. It is not necessary for a teacher to be subject to capability proceedings in order for pay progression to be withheld.

26.4.8 The process for assessing teachers against these factors is contained in the school's appraisal policy.

26.4.9 All pay recommendations for teachers on the Leading Practitioner pay range will be moderated by the Headteacher.

26.4.10 The Pay Committee will be advised by the Headteacher in making all such decisions.

27 Unqualified Teachers

27.1.1 The Board of Trustees prefers to recruit qualified classroom teachers. However, where there are recruitment difficulties, it may be necessary, from time to time, to employ unqualified teachers. In such circumstances, the Governing Body will seek to support the teacher, where possible, to become qualified through the School Direct scheme or other recognised routes to QTS.

27.1.2 The Governing Body has established the following Pay Range for Unqualified Teachers:

Pay Range for Unqualified Teachers 2018	
Point	Annual Salary
	£
1	17,208
2	19,210
3	21,210
4	23,212
5	25,215
6	27,216

27.2 Pay on appointment

27.2.1 The Pay Committee will pay any unqualified teacher in accordance with the above pay range. The Pay Committee will determine where a newly appointed unqualified teacher will enter the pay range, having regard to

any qualifications or experience s/he may have, which they consider to be of value. The Pay Committee will consider whether it wishes to pay an additional allowance, in accordance with paragraph 22.1 of the STPCD 2018.

27.3 Pay determinations effective from 1 September 2018

- 27.3.1 Unqualified teachers will have the opportunity to progress up the unqualified teachers' pay range one point at a time, on an annual basis. To move to the next point on the range, unqualified teachers will need to show that they have made good progress towards their objectives.
- 27.3.2 Where it is clear from the evidence that the teacher's performance is exceptional and exceeds expectations, the Pay Committee may award enhanced pay progression of up to two points on the unqualified teacher range.
- 27.3.3 If the evidence shows that an unqualified teacher has not made good progress, as described above, then the Governing Body will consider using its flexibilities and may award no pay progression.
- 27.3.4 Before making a decision to withhold pay progression, the Governing Body must be satisfied that the unqualified teacher has been made aware of concerns about their performance during the course of the appraisal process, that the concerns have been documented, and that the teacher has had appropriate support from the school to improve. The possibility of progression being withheld should not come as a surprise to the teacher concerned. It is not necessary for a teacher to be subject to capability proceedings in order for pay progression to be withheld.
- 27.3.5 All pay judgements will be properly rooted in evidence; evidence will be included in the annual appraisal reports, and will relate to teachers' standards attached to this policy in Appendix 5, contribution to school improvement, and to the progress of pupils, as well as to the teacher's individual objectives, and their job description.
- 27.3.6 The process for assessing teachers against these factors is contained in the school's Appraisal Policy.
- 27.3.7 All pay recommendations for teachers on the unqualified teachers' pay range will be moderated by the Headteacher.
- 27.3.8 The Pay Committee will be advised by the Headteacher in making all such decisions.
- 27.3.9 Pay progression on the unqualified teachers' range will be clearly attributable to the performance of the individual teacher. The Pay Committee will be able to objectively justify its decisions.

D. DISCRETIONARY ALLOWANCES AND PAYMENTS

28. Teaching and Learning Responsibility Payments

- 28.1 The STPCD 2018 provides for a 2% uplift to the national TLR allowances; the 2% has also been applied to the locally agreed TLR allowances, and the rates are detailed below in paragraphs 28.2 and 28.3.

The Pay Committee may award a TLR payment to a classroom teacher for undertaking a sustained additional responsibility, for the purpose of ensuring the continued delivery of high-quality teaching and learning and for which the teacher is made accountable. The award may be while a teacher remains in the same post or occupies another post in the absence of a post-holder, in accordance with, and subject to, paragraph 3 and paragraphs 20.2 and 20.3 of the STPCD 2018. Unqualified teachers may not be awarded TLRs.

With the exception of sub-paragraphs (c) and (e), which do not have to apply to the award of TLR3s, before awarding any TLR the relevant body must be satisfied that the teacher's duties include a significant responsibility that is not required of all classroom teachers and that:

- a) is focused on teaching and learning;
- b) requires the exercise of a teacher's professional skills and judgement;
- c) requires the teacher to lead, manage and develop a subject or curriculum area; or to lead and manage pupil development across the curriculum;
- d) has an impact on the educational progress of pupils other than the teacher's assigned classes or groups of pupils; and
- e) involves leading, developing and enhancing the teaching practice of other staff.

In addition, before awarding a TLR1, the relevant body must be satisfied that the sustained, additional responsibility referred to above includes line management responsibility for a significant number of people.

28.2 TLR 1 and TLR 2 Payments

28.2.1 The values of TLRs that may be awarded as appropriate in the school are:

TLR 2 A	£2,720	TLR 1 A	£7,853
B	£4,530	B	£9,660
C	£6,341	C	£11,474
C (higher)	£6,645	D	£13,288

28.2.2 TLRs will be awarded, in accordance with the statutory criterion and factors for these payments outlined in paragraph 28.1 above, to the holders of the posts as indicated in the staffing structure attached to this policy at **Appendix 1**.

28.3 TLR 3 Payments

28.3.1 The Pay Committee may award a fixed term TLR3 for clearly time-limited school improvement projects, or one-off externally driven responsibilities as set out in the STPCD 2018. The annual value of a TLR3 must be no less than £540 and no greater than £2683. The basis on which the TLR3 has been awarded, the duration of the fixed term, and the amount of the award, which will be paid in monthly instalments, will be set out in writing to the teacher. No safeguarding will apply in relation to an award of a TLR3.

28.3.2 Although a teacher cannot hold a TLR1 and a TLR2 concurrently, a teacher in receipt of either a TLR1 or a TLR2 may also hold a TLR3 concurrently.

28.3.3 The range for TLR3s refers to the annual value of such an award. Where a TLR3 is awarded with a fixed term of less than one year then the total value should be determined proportionately to the annual value. Where a TLR3 is awarded to a part-time teacher the value should not be amended to reflect the part-time hours of the individual in receipt of the award; the pro-rata principle does not apply to TLR3s.

29 Special Educational Needs

29.1 The relevant body must award an SEN allowance to a classroom teacher:

- (a) in any SEN post that requires a mandatory SEN qualification;
- (b) in a special school;
- (c) who teaches pupils in one or more designated special classes or units in a school: and
- (d) has a greater level of involvement in the teaching of children with special educational needs than is the normal requirement of teachers throughout the school.

- 29.2 In September 2010, the former first and second SEN allowances were amended in the STPCD to a spot allowance, to be determined by the relevant body, within the range of a minimum allowance of £2,148, and a maximum of £4,241 per annum (values updated to 2018). With effect from September 2010, employees in Wigan schools on the former first allowance were transferred onto the new minimum, and those on the former second allowance onto the new maximum.
- 29.3 Where an SEN allowance is to be paid, the school must determine which rate should be applied, taking into account the structure of the school's SEN provision and the following factors:
- (a) whether any mandatory qualifications are required for the post;
 - (b) the qualifications or expertise of the teacher relevant to the post; and
 - (c) the relative demands of the post.
- 29.4 Schools should continue to use the criteria that they applied to distinguish between the former first and second allowances, in order to decide which level of SEN allowance to apply:
- Minimum level of £2,148 p.a.
 - Maximum level of £4,241 p.a.
- 29.5 For example, a school may have an arrangement that provides for the higher SEN allowance to be paid where a teacher has the mandatory qualifications for the post concerned, and in addition has a particular level of expertise or experience in teaching SEN pupils. It is for each school to consider this matter, and they should ensure that any criteria are fair and reasonable, and applied in a consistent manner.
- 29.6 In accordance with Paragraph 8.1 of the Pay Policy, Governing Bodies undertake an annual review of the Pay Policy, and this will include consideration of the SEN allowances and whether the teachers concerned are on the appropriate level of allowance. Should decisions be made which result in the withdrawal of or a reduction in value of the allowance, normal safeguarding arrangements will apply to the individuals concerned for a three year period.

30. Recruitment and Retention Incentives

- 30.1 The discretion to award recruitment or retention incentives and benefits to classroom teachers or Leading Practitioners will only be considered where there is specific evidence to support one of the following criteria:-
- (a) it is proving very difficult to recruit to a post, (for example, where, following one or more advertisements, insufficient staff of the right quality apply for the post); or
 - (b) where a key member of staff with skills and expertise that are in high demand is likely to seek employment elsewhere in the near future and

it has not proven possible to allocate additional responsibilities and award an appropriate grading.

- 30.2 In such circumstances, the recruitment or retention incentives or benefits will be for a fixed period only; the reason for the payment, the value of the incentive or benefit, the expected duration, and the review date after which they may be withdrawn will be clearly set out at the start of the fixed period.
- 30.3 The exercise of this discretion will be reviewed annually as part of the annual review of this Pay Policy, in the light of updated information on any recruitment and retention difficulties for the school.
- 30.4 For leadership posts (i.e. Headteachers and Deputy and Assistant Headteachers) appointed to or reviewed on or after 1 September 2014, any recruitment and retention matters will be taken into account when setting the base pay for the post, and so separate allowances will not be payable. The only exception to this would be the reimbursement of reasonably incurred housing and relocation costs, which the Governing Body may decide to pay, if appropriate. Any such reimbursement made to a Headteacher will not count towards the 25% limit on allowances as referred to in paragraph 17.11 above.
- 30.5 Any teachers in the leadership group, who were already in receipt of a recruitment/retention payment at 1 September 2014 which was determined in line with the arrangements in place prior to that date, will continue to receive such payment, at its existing value, under those arrangements (as outlined in paragraph 30.2 above) until such time as their pay range is determined under the 2014 arrangements.

31. Temporary Arrangements

- 31.1 The Pay Committee will consider paying a teacher who is temporarily carrying out the full duties of an absent Headteacher, Deputy or Assistant Headteacher at an appropriate point within the Headteacher's or Deputy/Assistant Headteacher's individual pay ranges when the absence extends beyond four weeks. The temporary pay point will not necessarily be the same as the point on the leadership pay range of the substantive post holder but will not be less than the minimum point of the established individual pay range. The increase in salary will be back-dated from the first day of absence.
- 31.2 In the case of planned prolonged absence of more than four weeks, an acting pay point within the Headteacher or Deputy or Assistant Headteacher pay ranges will be established in advance and paid from the first day of absence.
- 31.3 When the temporary period of acting up comes to an end, the teacher concerned will return to the point on his/her substantive pay range which would have applied had he/she not taken up the temporary arrangement.

- 31.4 The Pay Committee will consider awarding an additional temporary TLR payment appropriate to the post, to a teacher who is temporarily carrying out the full duties of an absent teacher, when the absence extends beyond four weeks. Where the temporary arrangement is approved, the increased salary will be back-dated from the first day of absence.
- 31.5 Supply teachers engaged by the school will be paid at the rate determined by the statutory provisions for calculating short notice teachers' pay within the STPCD 2018.

32 Safeguarding

- 32.1 In accordance with statutory provisions, all classroom teachers who will or may have their substantive salaries reduced as a result of internal reorganisation of the staffing structure, are subject to time-limited cash safeguarding for a maximum of three years.

E. OTHER PAY PROVISIONS FOR TEACHERS

33. Voluntary Continuing Professional Development Outside Directed Time

- 33.1 Consideration will be given to exercising this discretion in the case of training in respect of major national initiatives supported by external earmarked funding and where training cannot be undertaken on one of the specified teacher training days or in school session time because of difficulties with supply cover.
- 33.2 In these instances, classroom teachers will be paid a daily rate of 1/195th of their salary point on the teachers' main pay range to a maximum of point M6. Teachers on the Leadership and Leading Practitioner pay ranges will be paid as if at point M6 on the teachers' main pay range.

34. Initial Teacher Training (ITT) Activities

- 34.1 No specific additional payments will be made to individual teachers involved in school-based ITT activities (such as observing and giving feedback on classroom practice and acting as professional mentors).
- 34.2 However, teachers with significant involvement in ITT may receive pay recognition through TLR payments or their pay ranges on the leadership spine.

35. Out of School Learning Activities

- 35.1 If it is agreed that teachers are employed to undertake major out of school learning initiatives, teachers will be paid a daily rate of 1/195th of their

salary point on the teachers' main pay scale to a maximum of point M6. Teachers on the Leadership or Leading Practitioner pay ranges will be paid as if at point M6 on the teachers' main pay range.

F. SUPPORT STAFF

36. Principles

- 36.1 This policy will be applied in accordance with all relevant National and local conditions of service.
- 36.2 The policy will also be applied in accordance with the School's equality and diversity statement and practice.
- 36.3 All non-teaching posts pay will determine by the Governing Boards pay committee. Job descriptions, pay and grading of support staff will generally fall within the framework of grades used within Wigan and in accordance with its Job Evaluation Scheme unless for example a group of staff TUPE transfers into the trust and operates on different pay structures. This will provide objective justification for job grades and at the same time minimise the risk of any liabilities for either the Trust or Governing Board.

(Note: role profiles within the Job Families Framework for support staff have been formally graded in accordance with the Job Evaluation scheme, and so any jobs matched to these profiles comply with this requirement.)

- 36.4 Term Time Only employees are typically paid for 38 or 39 working weeks. Employees can also be appointed on contracts for term time only plus a specific number of additional working weeks.
- 36.5 For all term time only employee's a pro rata annual leave entitlement is included within the pay calculation as set out in the contract. The calculation of the annual leave entitlement depends upon length of service. The statutory entitlement to annual leave coincides with periods of school closure and is therefore considered to be taken during this time. There is no entitlement to take leave during term time.

37. Undertaking Additional Duties, and Market Enhancement

- 37.1 Within the scope of this policy the governors recognise and approve the pay elements detailed in paragraphs 38 and 39 below, which can be applied by the Headteacher on the advice of the Trust Central Team.

38. Undertaking Additional Duties (acting up)

- 38.1 There are situations where individuals temporarily cover a more senior post. This may be partial or full cover of the more senior post, and is normally for a short period of time. Where an employee takes on the full duties of a higher graded post at the request of their manager it must be for a period of 28 days or more within a six month period. The employee will be paid the evaluated rate for the post, for the duration of the acting up period.
- 38.2 Where an employee takes on additional responsibilities at the request of their manager for a temporary period, the grade will be determined through the job evaluation scheme in an objective and consistent manner and comply with equal pay legislation. Where the Job Family Framework for school support staff has been adopted and implemented within the school, it may be possible to match the additional responsibilities to an appropriate role profile within the Framework, which has been formally evaluated for pay purposes.

39. Market Enhancement Policy

- 39.1 There are occasions where the pay of a job determined by the grading process results in a salary range that fails to attract and retain suitably qualified and experienced staff, possibly because the pay rate is not in line with the “market rate” for the post.
- 39.2 Market enhancements are defined as a temporary addition to the pay of a role and are applicable to ‘all role holders in a post’ where market pressures would otherwise prevent the employer from being able to recruit and/or retain suitably qualified staff at the normal salary for the post.
- 39.3 The process of determining whether a market enhancement should be paid, the rate of any enhancement and the conditions for its payments will be determined through the governing Board. Payments made under this scheme are temporary and subject to review and may be removed.

40. Starting Salaries for New Appointments (permanent and temporary)

- 40.1 All new appointments will be paid at the minimum of the appropriate grade for the post. However, the Governing Board and Headteacher, advised by the trust central team, will have the discretion to agree a starting salary above the minimum if evidence can be provided that there is an objective justification based on skills and experience.
- 40.2 Where an existing employee is appointed to a new post on a higher grade which overlaps with their previous grade, they will be appointed on the next point above their previous substantive spinal column point.

41. Incremental Progression

41.1 Progression through a grade is by annual increments, paid on 1st April of each year. To receive an incremental increase on 1 April, the employee must have been employed at the current spinal point for a period of six months prior to receiving the annual increment and must not be at the maximum for their band or on any pay protection arrangements. Employees commencing employment after 1st October of any year (up to 31st March) will be considered for an increment after 6 months continuous service.

Points L18, L21, L24, L27, L31, L35, L39, L43 have two values, marked by the addition of 'A' and 'B' to each point, to indicate the lower and higher values respectively.

The values indicated by 'A' are the maximum salaries for each of the eight Headteacher Group ranges, which are determined by the STPCD 2018. (The table at Appendix 2 shows the Headteacher Group ranges).

The 'A' values apply to those Headteachers/Heads of School who are already on, or who are moving onto, the top point of their Individual Salary Range (ISR) with effect from 1 September 2018, where this point coincides with the top of the Group range for their school.

The 'B' values apply to those on the Leadership Range who are remaining on or moving onto one of the relevant points (L18, L21, L24, L27, L31, L35, L39, L43) with effect from 1 September 2018, where the point concerned is within or at the top of their ISR, but **does not** coincide with the top of the Group range for their school.

The minimum values for the eight Headteacher Groups are determined by the STPCD 2018 and are therefore the minimum salaries applicable to Headteachers/Heads of School who are appointed to the bottom of the Group range for their school. It is worth noting that the minimum values for Groups 5, 6 and 7 are L18B, L21B and L24B respectively – see Group values above for details.

* Points 43B – 51 are a locally agreed extension of the 2018 Leadership Group pay range and are included to accommodate the arrangements, effective from 1.9.14, which give discretion to Governors to set base pay for Headteachers beyond the top of their respective pay groups, if circumstances justify such payment. These additional nine points are based on 2.5% incremental steps, in line with the differentials between pay points on the rest of the Leadership pay range.

Appendix 2b

Examples to show how the Leadership Pay Range would apply

Retaining the Leadership Pay Range, and the 5 and 7 point ranges, fulfils the fundamental requirement to give sufficient room for progression for those in leadership posts. To also build in the required provision to pay up to 25% beyond the top of the Headteacher Groups, it is necessary to attach values to the additional payments which coincide with pay points on the range, so that there is clarity in terms of expected progression over time.

Whilst this means that exact % payments cannot necessarily be applied, it still gives considerable flexibility and extends each group by up to an additional 9 points.

The examples below show how the ranges would be set using the Leadership pay range.

Example 1.

The formula for allocating a school to a Headteacher Group results in the Headteacher being in Group 3.

Group 3 runs from £51,234 (L11) to £69,673 (L24A)

The range could be extended up to a maximum of £85,605 (L32), which is the closest point on the scale to the full 25% additional pay.

Due to the particular challenges of the post, the Governing Body decides that it is appropriate for the pay range for the post to go beyond the top of the group, and decide that an additional 5% would be appropriate.

This would give a figure of £73,157 for the top of the individual range (£69,673 + 5%); the nearest pay point to this salary is £73,903 (L26).

A 7 point range would give an individual range for this post of £63,806 (L20) to £73,903 (L26).

Example 2.

A school is in Group 8 – £77,613 (L28) to £111,007 (L43A)

The Governing Body consider that due to recent recruitment difficulties to the role, together with the particular complexity of the role, they wish to extend the range beyond the maximum point of the group; they consider that a range up to around £117,000 would be appropriate.

The nearest point on the pay spine to £117,000 is £117,792 (L45).

A 7 point range would give an individual range for this post of £101,574 (L39B) to £117,792 (L45).

(Note – point L39B is the bottom of the range, rather than L39A, because L39A applies only where the point coincides with the top of the Headteacher’s ISR and the top of the Group range for their school.)

Example 3.

A Federation of two secondary schools is in Group 8 (combining the unit score of each of the schools to arrive at a total unit score)

Group 8 runs from £77,613 (L28) to £111,007 (L43A)

The Governing Board considers that due to the accountability for two schools with a very large total number of pupils and the complexities of the schools, it is appropriate to extend the pay range beyond the top of Group 8; it decides that a minimum point of around £109,000 would be appropriate.

The nearest point on the pay spine to £109,000 is £109,383 (L42).

A 7 point range would give an individual range for this post of £109,383 (L42) to £126,847 (L48).

Appeal Procedure to Pay Committee and Pay Appeal Committee

General Points

1. An appeal is appropriate if a member of staff is not satisfied with the decision of the Pay Committee concerning his/her pay and requests that the basis for the decision be reviewed.
2. The employee may wish to seek support from a trade union representative or work colleague when presenting their case. The employee should make their own arrangements in this respect.
3. After a decision of the Pay Committee has been conveyed to the employee in writing, together, where appropriate, with the specific reasons for the decision (for example, in cases where a performance pay point has not been awarded), an appeal may be lodged. The employee must write to the Clerk to the Governing Body within ten school working days of being notified of the Pay Committee's decision, setting down the grounds for wishing the pay decision to be reviewed by the Pay Committee and including any supporting documentation.
4. The Clerk will arrange a hearing of the Pay Committee which made the decision within ten school working days of receipt of the employee's request for the decision to be reviewed and give the employee an opportunity to make representations in person.
5. Following the hearing with the Pay Committee, the employee will be informed in writing of the decision and the right to give notice to the Clerk to the Governing Body of the intention to appeal within ten school working days.
6. The appeal should be heard by the Appeals Committee of the Governing Body in accordance with the appeals procedure outlined below in **Appendix 4a**.
7. A date for the hearing will be arranged as soon as possible, and all parties will normally be given at least ten school working days' notice of the hearing. Part-time employees will normally only be required to attend the hearing on one of their normal contractual days of work.
8. The decision of the Appeal Committee will be given in writing as soon as reasonably practicable, where the appeal is rejected, will include a note of the evidence considered and the reasons for the decision.
9. There is no further right of appeal against the decision of the Appeals Committee.

Appendix 4a

Appeal Procedure

Appendix 5

Teachers' Standards (England)

The Teachers' Standards (England) are presented in the 2018 STPCD as they underpin the appraisal process and the assessment process for accessing the upper pay range.

Teachers make the education of their pupils their first concern, and are accountable for achieving the highest possible standards in work and conduct. Teachers act with honesty and integrity; have strong subject knowledge, keep their knowledge and skills as teachers up-to-date and are self-critical; forge positive professional relationships; and work with parents in the best interests of their pupils.

Part One: Teaching

A teacher must:

- 1. Set high expectations which inspire, motivate and challenge pupils**
 - establish a safe and stimulating environment for pupils, rooted in mutual respect;
 - set goals that stretch and challenge pupils of all backgrounds, abilities and dispositions;
 - demonstrate consistently the positive attitudes, values and behaviour which are expected of pupils.
- 2. Promote good progress and outcomes by pupils**
 - be accountable for pupils' attainment, progress and outcomes;
 - be aware of pupils' capabilities and their prior knowledge, and plan teaching to build on these;
 - guide pupils to reflect on the progress they have made and their emerging needs;
 - demonstrate knowledge and understanding of how pupils learn and how this impacts on teaching;
 - encourage pupils to take a responsible and conscientious attitude to their own work and study.
- 3. Demonstrate good subject and curriculum knowledge**
 - have a secure knowledge of the relevant subject(s) and curriculum areas, foster and maintain pupils' interest in the subject, and address misunderstandings;
 - demonstrate a critical understanding of developments in the subject and curriculum areas, and promote the value of scholarship;

- demonstrate an understanding of and take responsibility for promoting high standards of literacy, articulacy and the correct use of standard English, whatever the teacher's specialist subject;
- if teaching early reading, demonstrate a clear understanding of systematic synthetic phonics;
- if teaching early mathematics, demonstrate a clear understanding of appropriate teaching strategies.

4. Plan and teach well-structured lessons

- impart knowledge and develop understanding through effective use of lesson time;
- promote a love of learning and children's intellectual curiosity;
- set homework and plan other out-of-class activities to consolidate and extend the knowledge and understanding pupils have acquired;
- reflect systematically on the effectiveness of lessons and approaches to teaching;
- contribute to the design and provision of an engaging curriculum within the relevant subject area(s).

5. Adapt teaching to respond to the strengths and needs of all pupils

- know when and how to differentiate appropriately, using approaches which enable pupils to be taught effectively;
- have a secure understanding of how a range of factors can inhibit pupils' ability to learn, and how best to overcome these;
- demonstrate an awareness of the physical, social and intellectual development of children, and know how to adapt teaching to support pupils' education at different stages of development;
- have a clear understanding of the needs of all pupils, including those with special educational needs; those of high ability; those with English as an additional language; those with disabilities; and be able to use and evaluate distinctive teaching approaches to engage and support them.

6. Make accurate and productive use of assessment

- know and understand how to assess the relevant subject and curriculum areas, including statutory assessment requirements;
- make use of formative and summative assessment to secure pupils' progress;
- use relevant data to monitor progress, set targets, and plan subsequent lessons;
- give pupils regular feedback, both orally and through accurate marking, and encourage pupils to respond to the feedback.

7. Manage behaviour effectively to ensure a good and safe learning environment

- have clear rules and routines for behaviour in classrooms, and take responsibility for promoting good and courteous behaviour both in classrooms and around the school, in accordance with the school's behaviour policy;
- have high expectations of behaviour, and establish a framework for discipline with a range of strategies, using praise, sanctions and rewards consistently and fairly;
- manage classes effectively, using approaches which are appropriate to pupils' needs in order to involve and motivate them;
- maintain good relationships with pupils, exercise appropriate authority, and act decisively when necessary.

8. Fulfil wider professional responsibilities

- make a positive contribution to the wider life and ethos of the school;
- develop effective professional relationships with colleagues, knowing how and when to draw on advice and specialist support;
- deploy support staff effectively;
- take responsibility for improving teaching through appropriate professional development, responding to advice and feedback from colleagues;
- communicate effectively with parents with regard to pupils' achievements and well-being.

Part Two: Personal and Professional Conduct

A teacher is expected to demonstrate consistently high standards of personal and professional conduct. The following statements define the behaviour and attitudes which set the required standard for conduct throughout a teacher's career.

- Teachers uphold public trust in the profession and maintain high standards of ethics and behaviour, within and outside school, by:
- treating pupils with dignity, building relationships rooted in mutual respect, and at all times observing proper boundaries appropriate to a teacher's professional position;
- having regard for the need to safeguard pupils' well-being, in accordance with statutory provisions;
- showing tolerance of and respect for the rights of others;
- not undermining fundamental British values, including democracy, the rule of law, individual liberty and mutual respect, and tolerance of those with different faiths and beliefs;
- ensuring that personal beliefs are not expressed in ways which exploit pupils' vulnerability or might lead them to break the law.

- Teachers must have proper and professional regard for the ethos, policies and practices of the school in which they teach, and maintain high standards in their own attendance and punctuality.
- Teachers must have an understanding of, and always act within, the statutory frameworks which set out their professional duties and responsibilities.

Points L18, L21, L24, L27, L31, L35, L39, L43 have two values, marked by the addition of 'A' and 'B' to each point, to indicate the lower and higher values respectively.

The values indicated by 'A' are the maximum salaries for each of the eight Headteacher Group ranges, which are determined by the STPCD 2018. (The table at Appendix 2 shows the Headteacher Group ranges).

The 'A' values apply to those Headteachers/Heads of School who are already on, or who are moving onto, the top point of their Individual Salary Range (ISR) with effect from 1 September 2018, where this point coincides with the top of the Group range for their school.

The 'B' values apply to those on the Leadership Range who are remaining on or moving onto one of the relevant points (L18, L21, L24, L27, L31, L35, L39, L43) with effect from 1 September 2018, where the point concerned is within or at the top of their ISR, but **does not** coincide with the top of the Group range for their school.

The minimum values for the eight Headteacher Groups are determined by the STPCD 2018 and are therefore the minimum salaries applicable to Headteachers/Heads of School who are appointed to the bottom of the Group range for their school. It is worth noting that the minimum

values for Groups 5, 6 and 7 are L18B, L21B and L24B respectively – see Group values above for details.

* Points 43B – 51 are a locally agreed extension of the 2018 Leadership Group pay range and are included to accommodate the arrangements, effective from 1.9.14, which give discretion to Governors to set base pay for Headteachers beyond the top of their respective pay groups, if circumstances justify such payment. These additional nine points are based on 2.5% incremental steps, in line with the differentials between pay points on the rest of the Leadership pay range.
