

ENGLISH

In their writing this term, the children will be focussing on non-fiction writing. They will start off the half-term learning how to create a newspaper report and then, later on in the half-term, they'll be looking at persuasive writing in letter. We will be reading and studying a group of text based on fairy-tale characters.

In Reading this half term the children will be focussing on prediction and inference; guessing what will happen next in stories and working out how characters are feeling based on the evidence in the text.

MATHS

In maths this half term we will be looking at

Fractions including:

Adding and subtracting fractions
Finding fractions of a whole number
Counting in fractions

Decimals including:

Finding tenths and hundredths of a number
Decimal equivalents of fractions
Solving problems (including money problems)

RE

This half term we will be learning all about where, how and why people worship. This will include a faith tour of local places of worship.

Citizenship

The children will be thinking about What We Put Into Our Bodies. Looking at healthy and unhealthy things to eat as well as the effects of drugs, alcohol and tobacco.

YEAR 4

INVADERS AND SETTLERS

SPRING 2

SCIENCE

In science this half term, we will be learning all about conductors and insulators. The children will explore a variety of materials to see whether they complete electrical circuits. They will be carrying out investigations too!

COMPUTING

At the start of this half-term the children will be looking at animation. They will discuss animations and create their own simple, stop-motion projects. After that, they will be looking at how the internet can be used to effectively used for finding information.

HISTORY

In history this half term, the children will be learning all about the Viking invasion of Anglo Saxon Britain. They will be looking at key figures from the Anglo Saxon and Viking cultures.

DT

The children will be creating realistic Viking shields using what they have found out in history. They will design their product, select materials and evaluate

MUSIC

Year 4 will be focussing on gospel music, training their singing skills. They will listen to, discuss and evaluate a wide range of music from throughout history.

This half term the children will be learning to talk about likes, dislikes and hobbies. The children will also be extending their knowledge of French numbers past 10.

PE

In indoor PE we are going to be doing gymnastics. We will be focussing on movement and rotation.

In outdoor PE we will be learning to play net games including tennis and table tennis.
