

Progression in History Skills

Skills	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Chronology	sequence events or objects in chronological order	sequence artefacts closer together in time sequence events sequence photos etc from different periods of their life describe memories of key events in lives	place the time studied on a time line sequence events or artefacts use dates related to the passing of time	place events from period studied on a time line use terms related to the period and begin to date events understand more complex terms e.g. BCE/AD	place current study on time line in relation to other studies know and sequence key events of time studied use relevant terms and periods labels relate current studies to previous studies make comparisons between different times in history	place current study on time line in relation to other studies use relevant dates and terms sequence up to ten events on a time line
Range and Depth of Historical Knowledge	begin to describe similarities and differences in artefacts drama – why people did things in the past use a range of sources to find out characteristic features of the past	find out about people and events in other times collections of artefacts – confidently describe similarities and differences drama – develop empathy and understanding (hot seating, sp. and listening)	find out about everyday lives of people in time studied compare with our life today identify reasons for and results of people's actions understand why people may have had to do something Study change through the lives of significant individuals (e.g. Queen Elizabeth I and Queen Elizabeth II)	use evidence to reconstruct life in time studied identify key features and events look for links and effects in time studied offer a reasonable explanation for some events Develop a broad understanding of ancient civilisations	study different aspects of life of different people – differences between men and women examine causes and results of great events and the impact on people compare life in early and late times studied compare an aspect of life with the same aspect in another period Study an ancient civilization in detail (e.g. Benin, Shang Dynasty, Egypt)	find about beliefs, behaviour and characteristics of people, recognising that not everyone shares the same views and feelings compare beliefs and behaviour with another period studied write another explanation of a past event in terms of cause and effect using evidence to support and illustrate their explanation know key dates, characters and events of time studied Compare and contrast ancient civilisations

Fact or fiction offer some reasons for different versions of events	link sources and work out how conclusions were arrived at consider ways of checking the accuracy of interpretations – fact or fiction and opinion be aware that different evidence will lead to
